Dear Mom and Dad:

Thanks so much for the love, understanding, and support which you have given us through all our years of school.

You've provided for all our needs, helped us with our homework, and yet never really received the credit you deserved. Without these things and the encouragement which you have given us, we might not have completed these twelve years so successfully in such wonderful schools and gained such a splendid education.

Yes, thanks Mom and Dad for all you have done for us.

Love,

Mr. G. Gordon Woelper

Competent, capable, and constantly striving to make Patterson a greater school is Mr. G. Gordon Woelper, principal. By his close association with faculty and students, he has endeared himself to each of us as a friend. His complete efficiency and his sincere interest make him an administrator of whom we are proud.

No assembly program would be complete without a message from the principal. Mr. Woelper, always ready to guide the student body, gives closing remarks at a special program.

Administrators at Work . . .

"CHIEF" KENNEDY

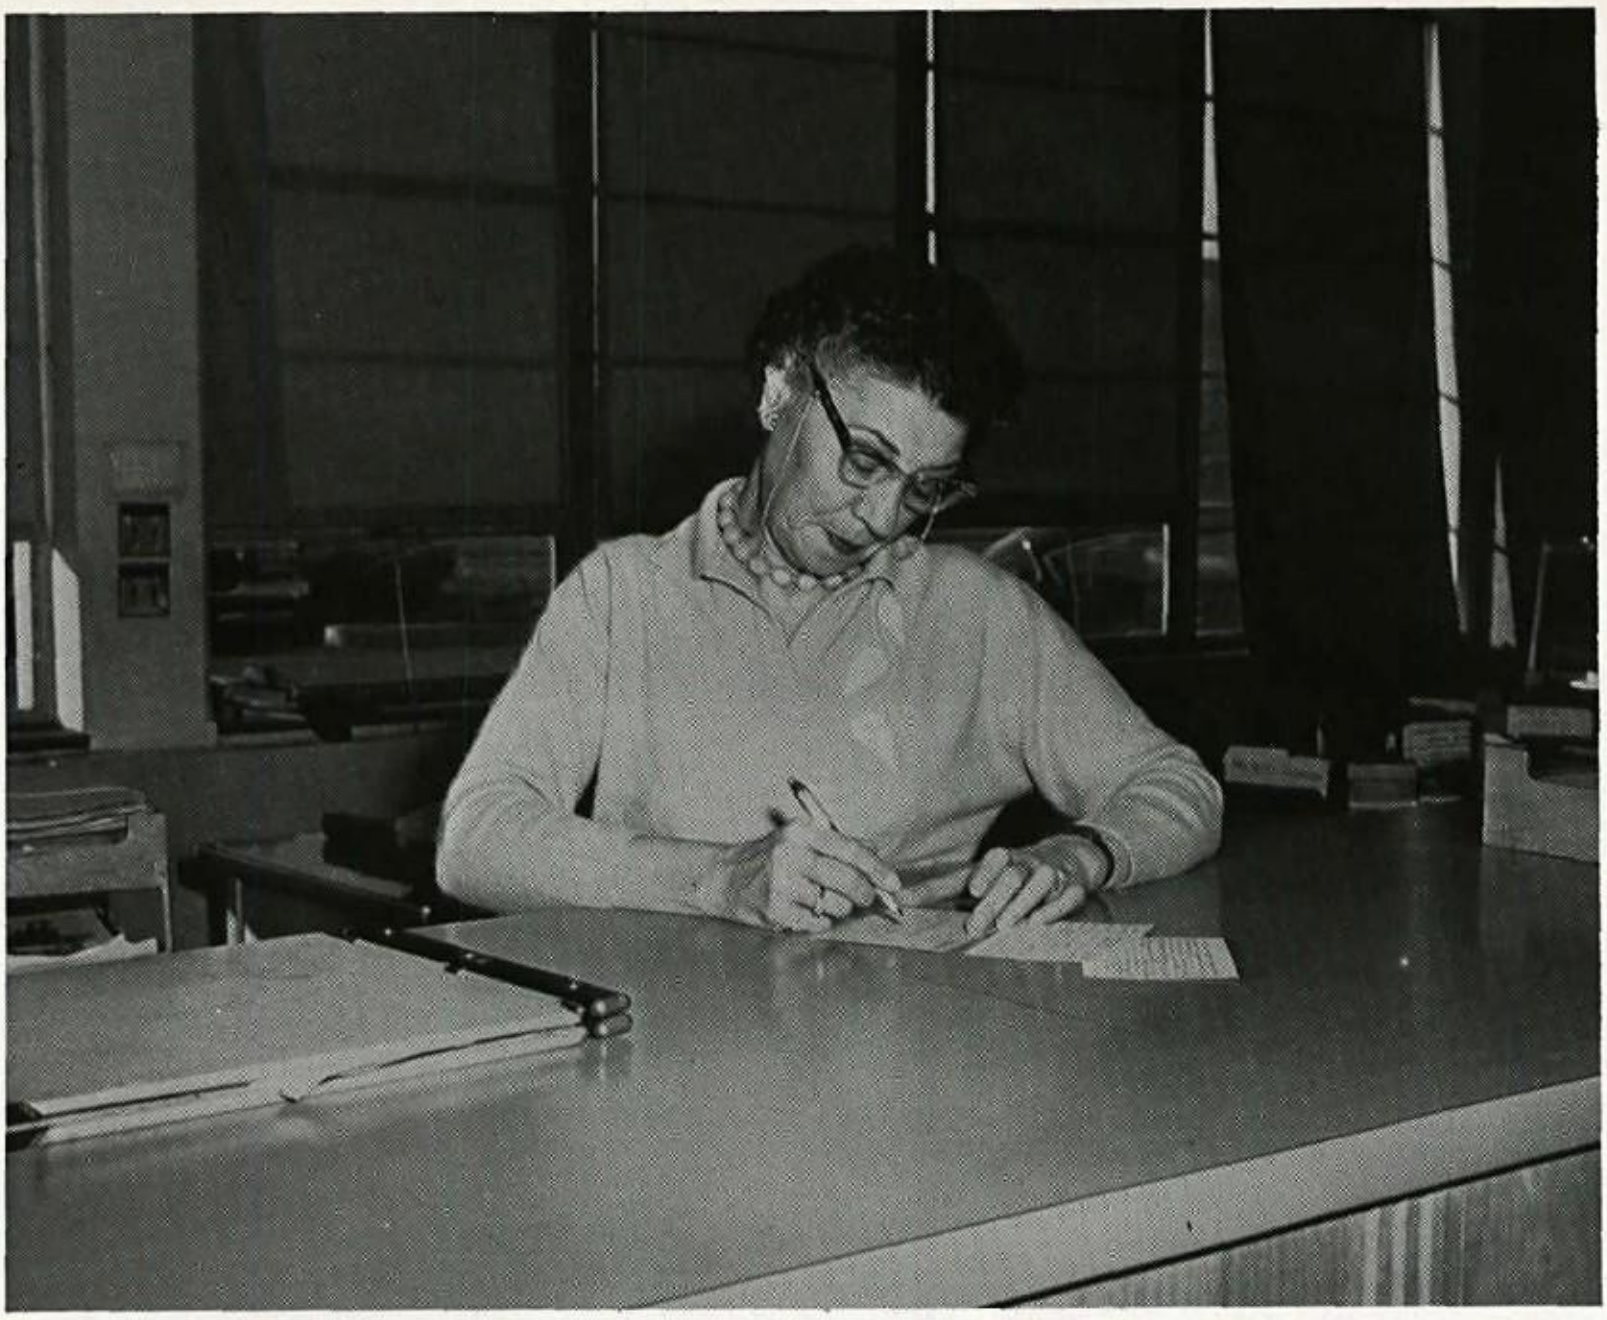
Familiar Faces . . .

Recognizable by every student at Patterson the familiar faces on this page work hard to make our school the "greatest."

The custodial force keeps the halls, rooms, and the floors of the school spic and span clean. Headed by the "chief" engineer, Mr. Kennedy, the school's physical plant is expertly run.

The cafeteria staff with Mrs. Varuola as the head dietitian serves the student body delicious hot lunches.

Serving balanced lunches, providing tempting desserts, and selling snack foods are all in the day's work for the dependable cafeteria staff. Always ready with a friendly smile, the cafeteria staff makes lunch a favorite period.

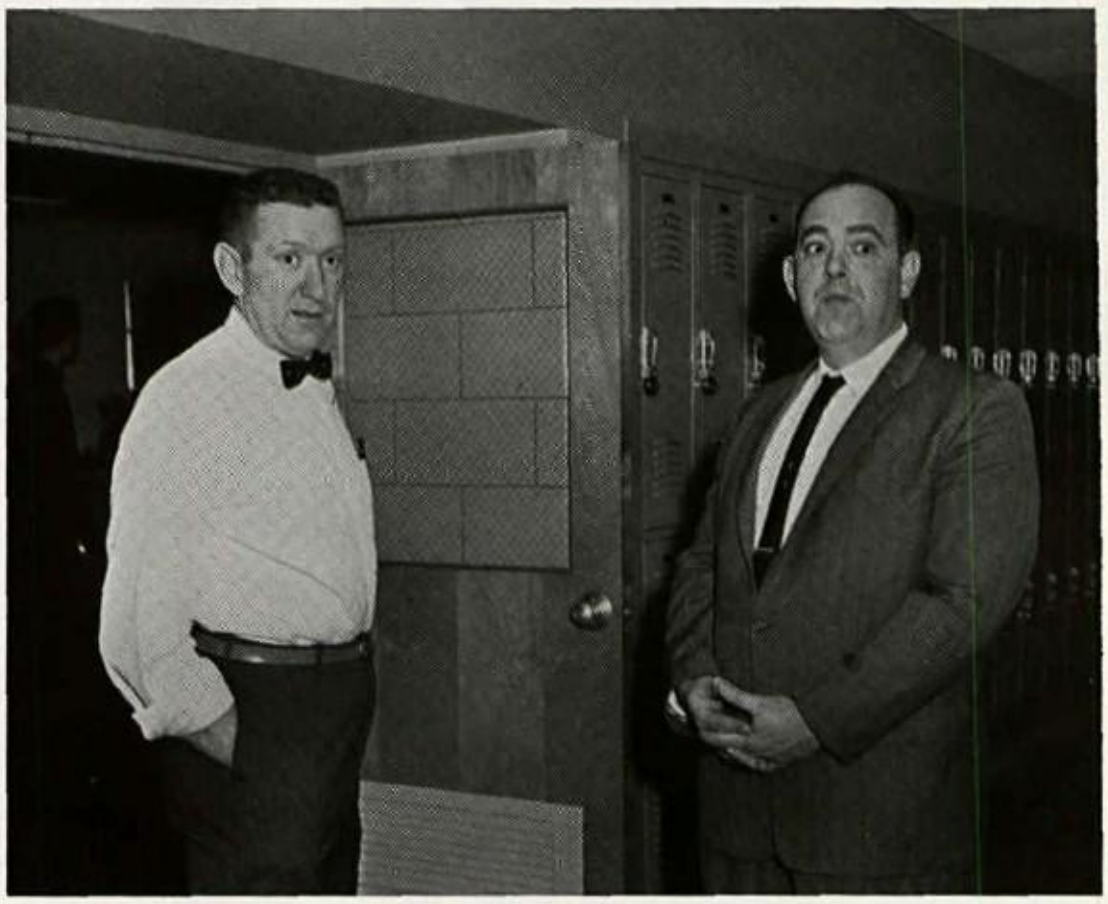


Miss Evelyn Freitag, our gal "Friday."

Thanks to the ever efficient, hard working Miss Freitag, Patterson's office is well managed. Aided by student and faculty help, clerical work is taken care of.

The Many Jobs of a Teacher

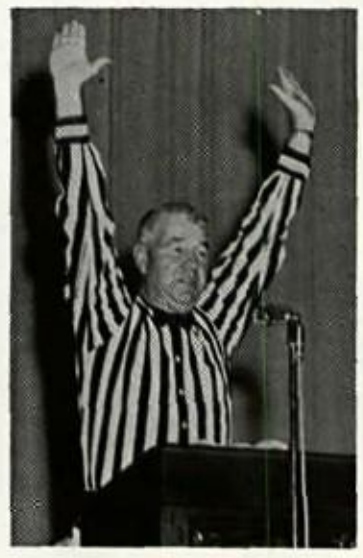
Parent-teacher conferences are just one of the many jobs of a teacher. Mr. Stein, of the Business Department, discusses a student's grades with a mother.



Mr. Sterlock and Mr. Lawson kibitz before class.

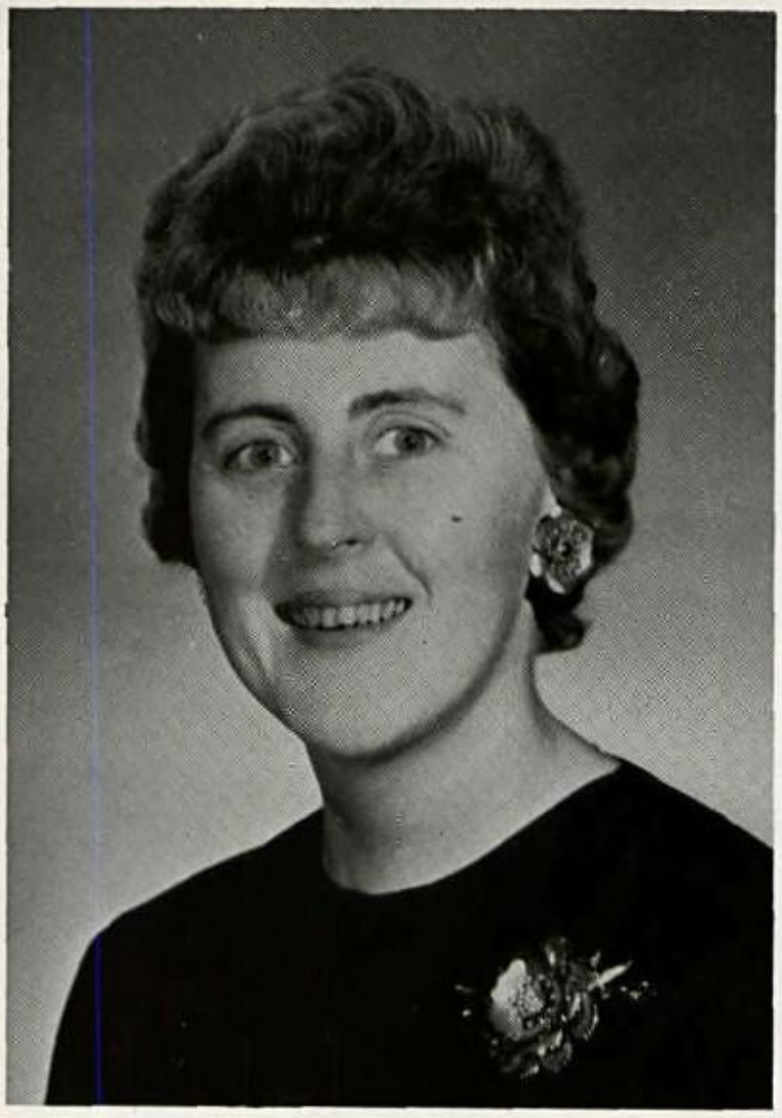
Participating in assemblies, talking to neighbors, and taking a needed rest—all jobs performed by teachers.

Miss Herbst and Mr. Rankin participate in assembly programs.



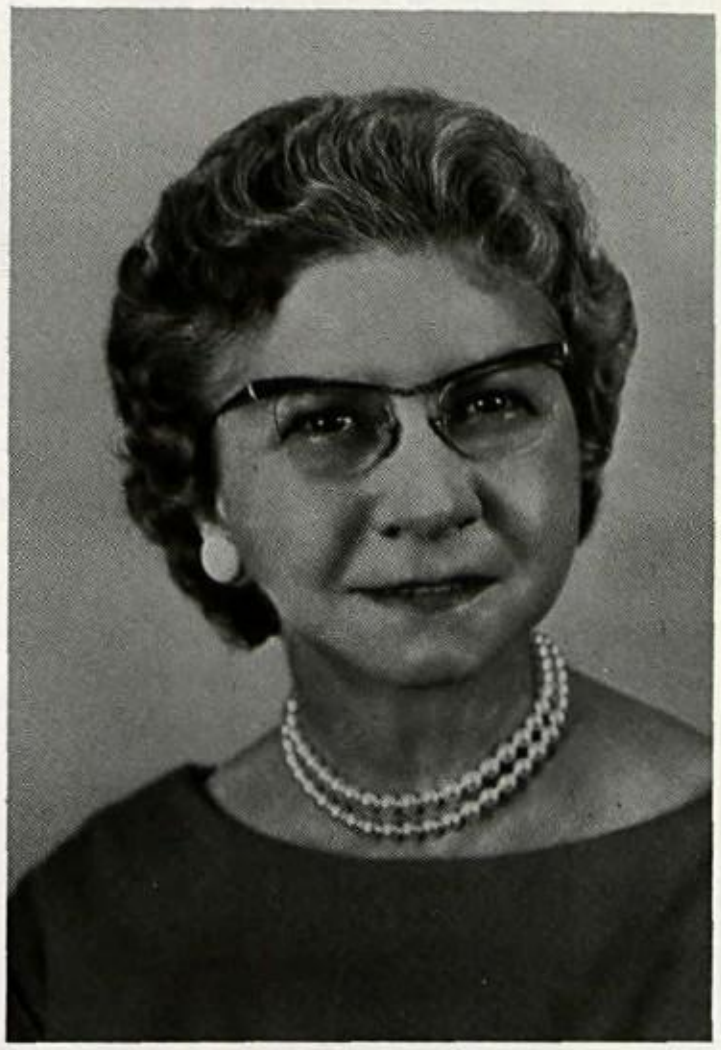
Seniors

Academic grades, scholarship records, accredited subjects are all part of high school life. Three glorious years have passed and sophomores have grown into seniors.



MRS. SHIRLEY SIECINSKI

We, the Class of February 1963, would like to thank you for the hours of time sacrificed to guide us through our high school years. We will always be grateful for your understanding, which has made us think of you more as a close friend, than a teacher or sponsor. Please accept our sincere thanks for a job well done.



MRS. KATHERINE NICHOLS

As seniors, we would like to thank you for "adopting" and guiding us through the stormy sea of graduation. Your help and suggestions will aid us now and in the future. Sincerely, thank you.

LIFE WITH FATHER

Presented By

The Senior Classes

1963

Friday, November 9, 1962 Saturday, November 10, 1962

School Auditorium

8:00 P.M.

The Senior cast of Life With Father enacts a touching scene. The play was held on November 9 and 10 in the school auditorium. Mrs. Betty Moore, of the science department, gave of her time and talent to direct the senior show.

"And Ye shall be saved," an invitation to Fred Schmidt to attend church regularly.

"Life With Father" was the title of the senior play presented in November. The play ran for two nights, with the auditorium packed with guests at both showings. Yes, the class of '63 did a tremendous job.

The Farewell Assembly was opened with a few words from Mr. Woelper.

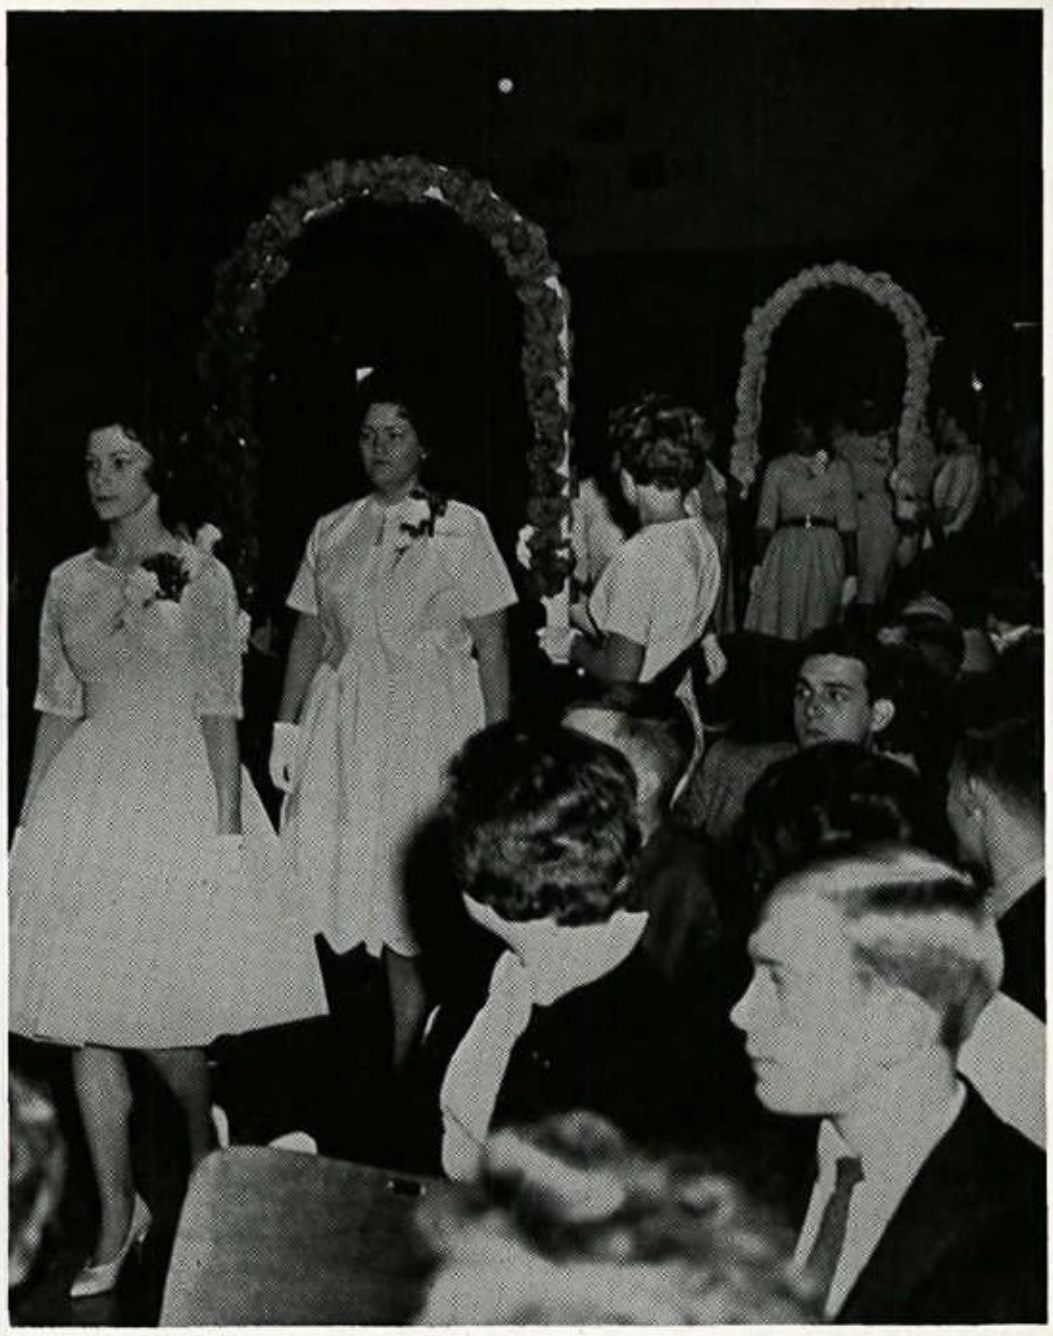
Each person's interest is held as Mr. Woelper gives a farewell message to the graduates.

Daniel Cadden gave a farewell speech which enlighted the hearts of all.

Everyone's attention is drawn toward Judy Jones, as Mr. Woelper presents her with an award.

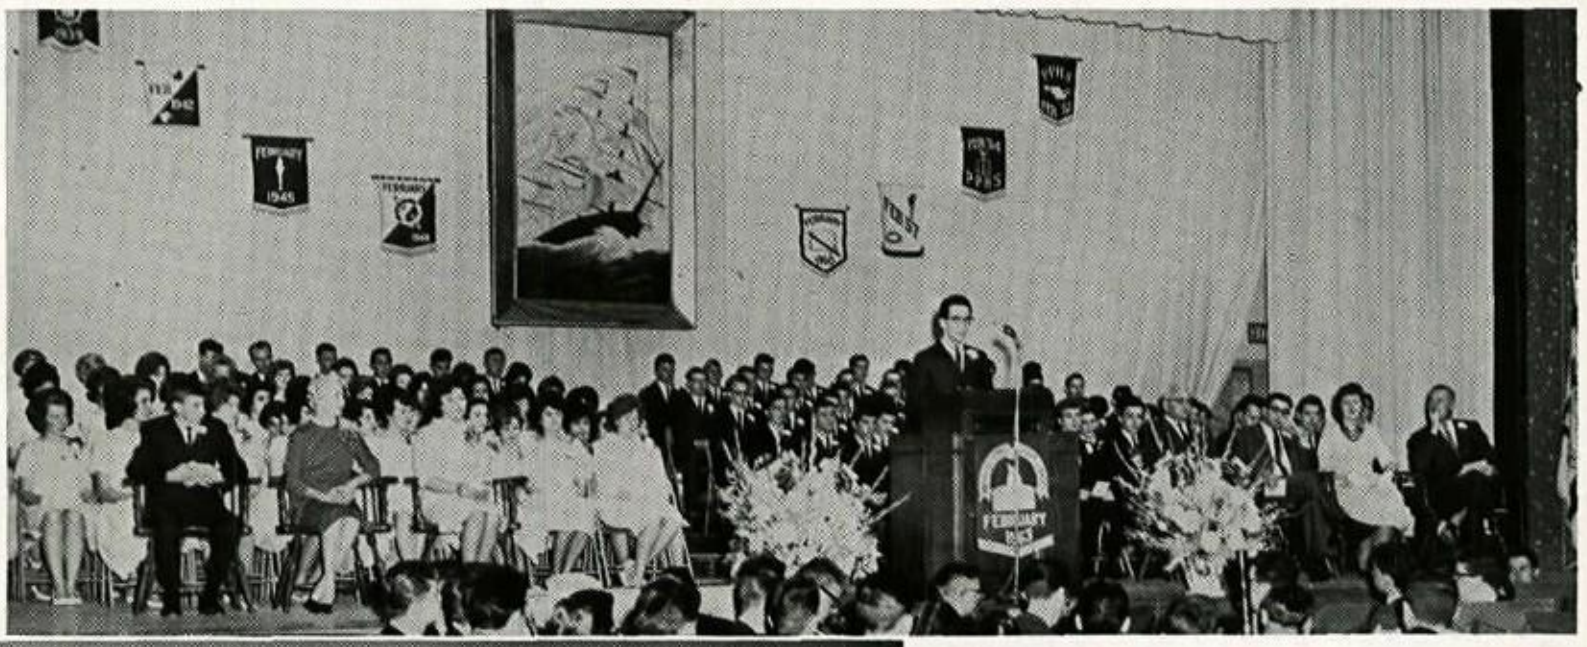
Farewell to Thee

Mr. Cullota, a past counselor of Patterson, congratulates the graduating class of February 1963.



The graduates walk down the aisle to their last assembly.

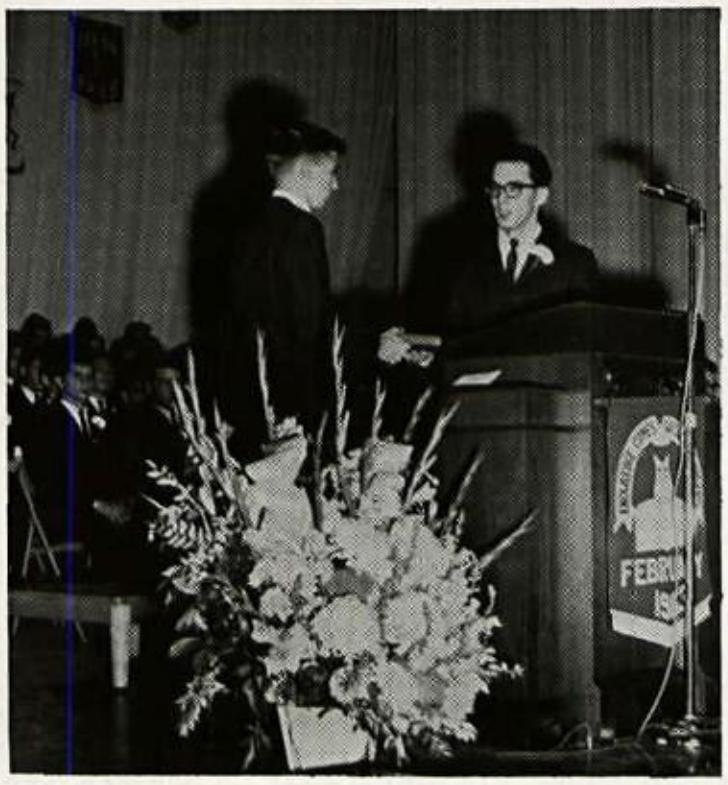
Daniel Cadden, president of the class, introduces the guests and gives thanks to Mrs. Siecinski, their class sponsor.



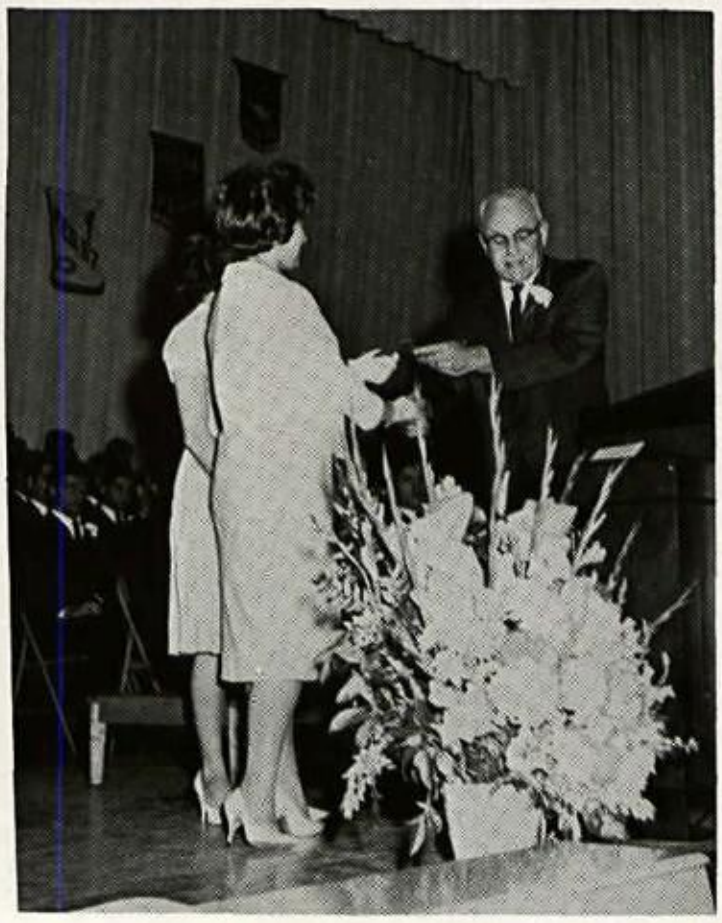
All of the students and parents in the auditorium were proud of the graduates.

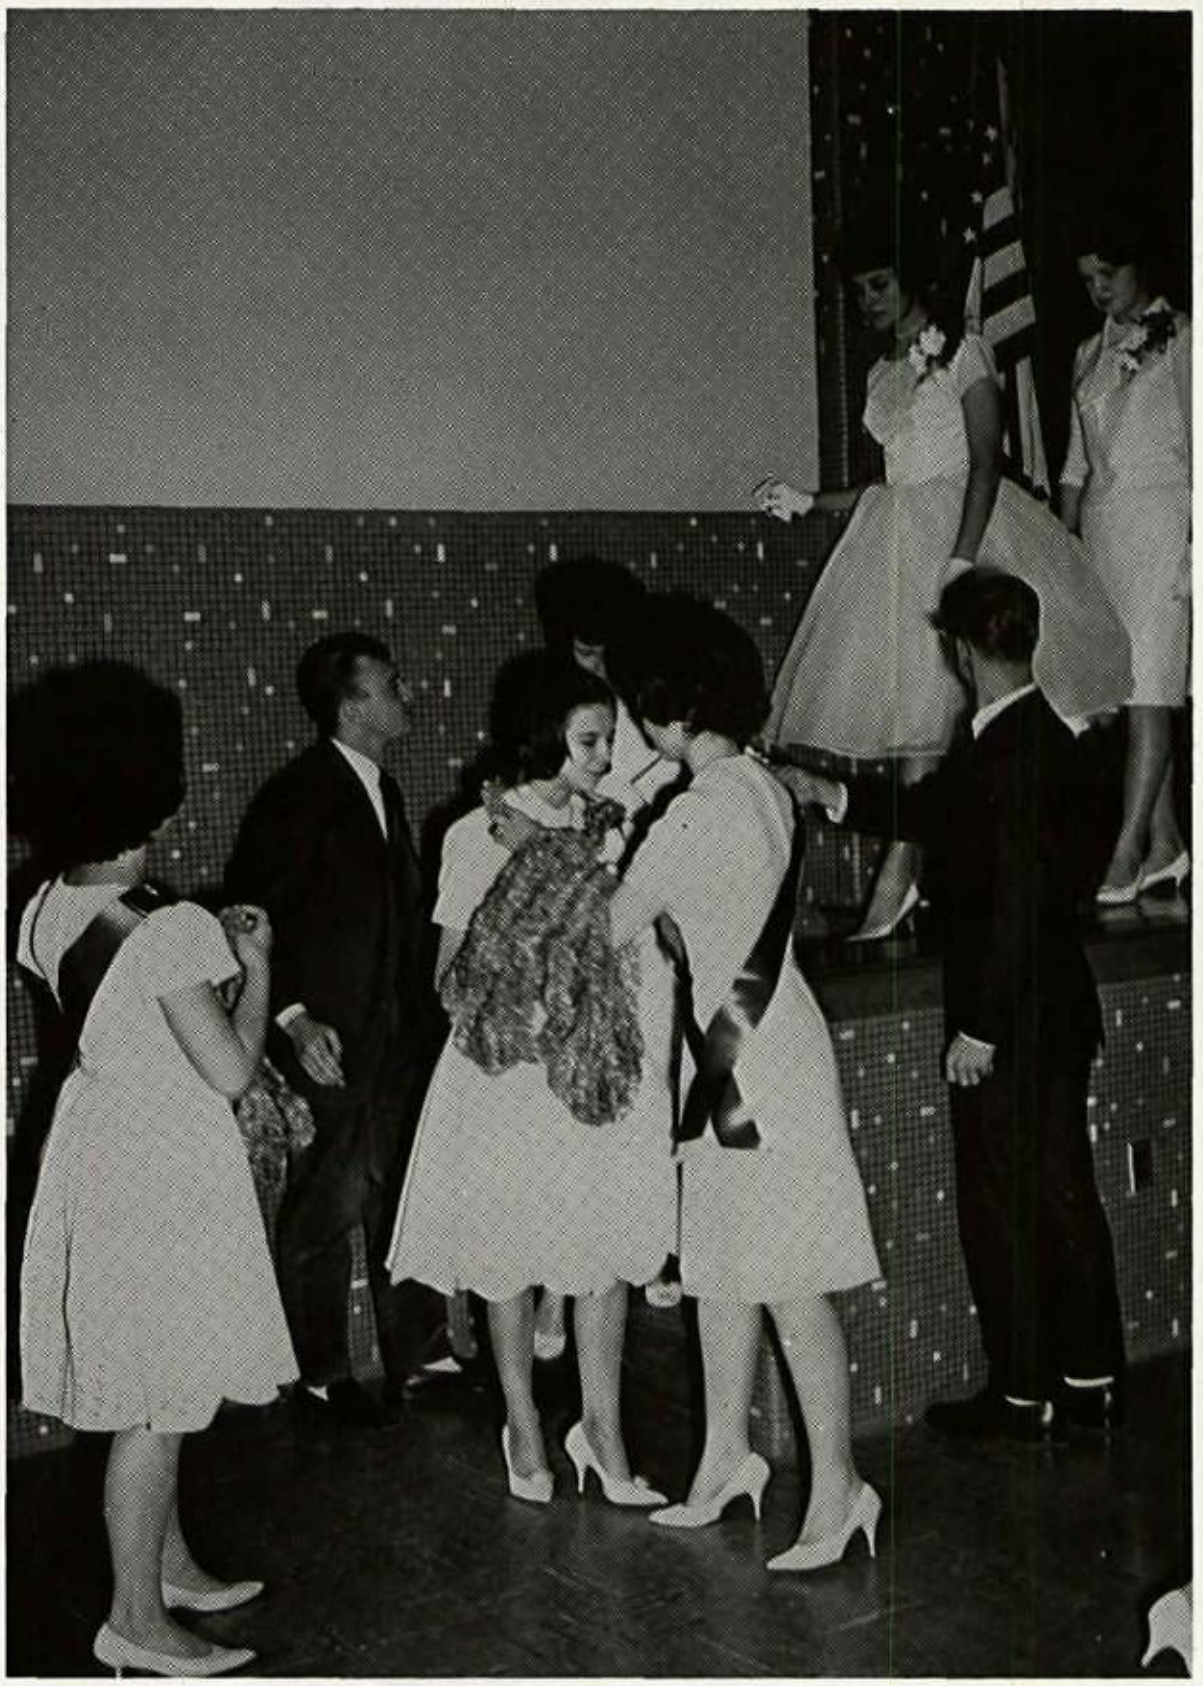
Daniel Cadden, president of the February Class of 1963, carries out the traditional presentation of the Log Book to Alan Fabisak, president of the June Class of 1963.

Under the direction of Miss Jane Harp the graduates sang various songs which were enjoyed by all.



The presentation of awards is a job Mr. Woelper always enjoys.



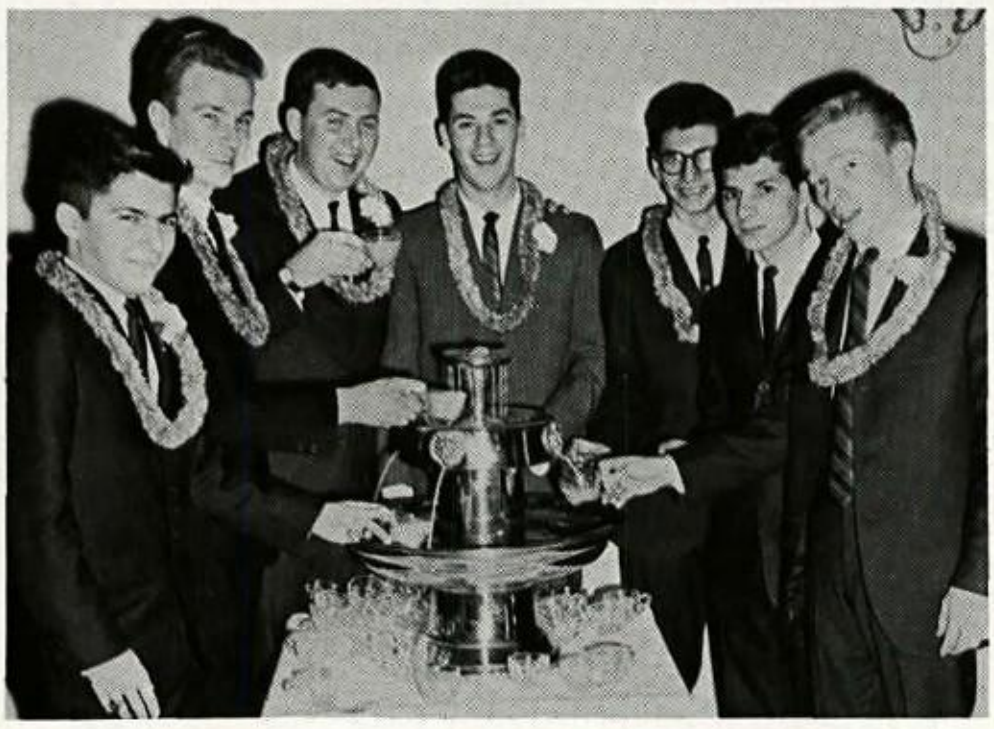


The placing of a lei around each graduate's neck at the end of the farewell assembly is a tradition never forgotten.

A Time to Remember

Mr. Joseph Cullota, guest of Honor at the Farewell Assembly, talks with some of the happy graduates at the luncheon.

The graduates toast as they bid a fond farewell to Patterson.



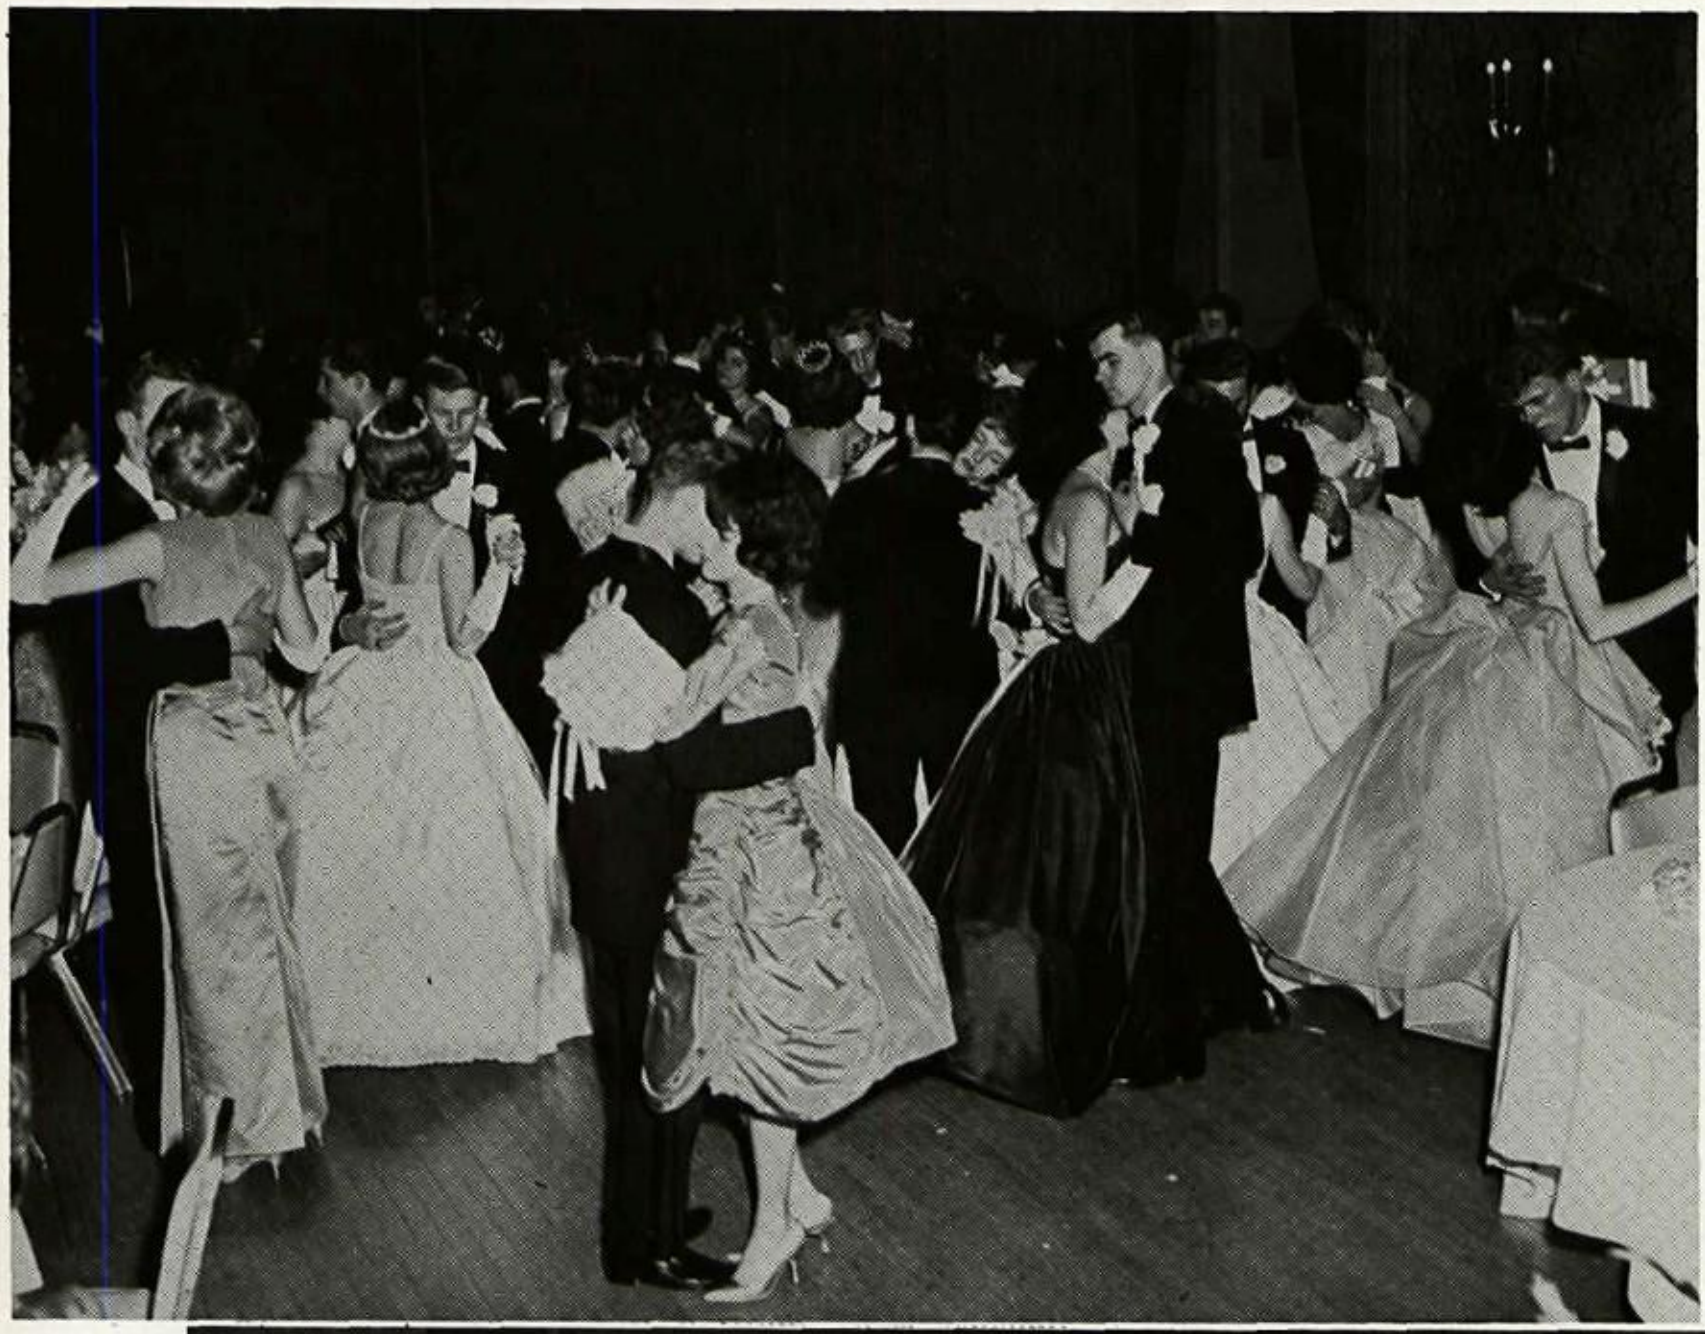
The graduates entertain themselves at the luncheon.

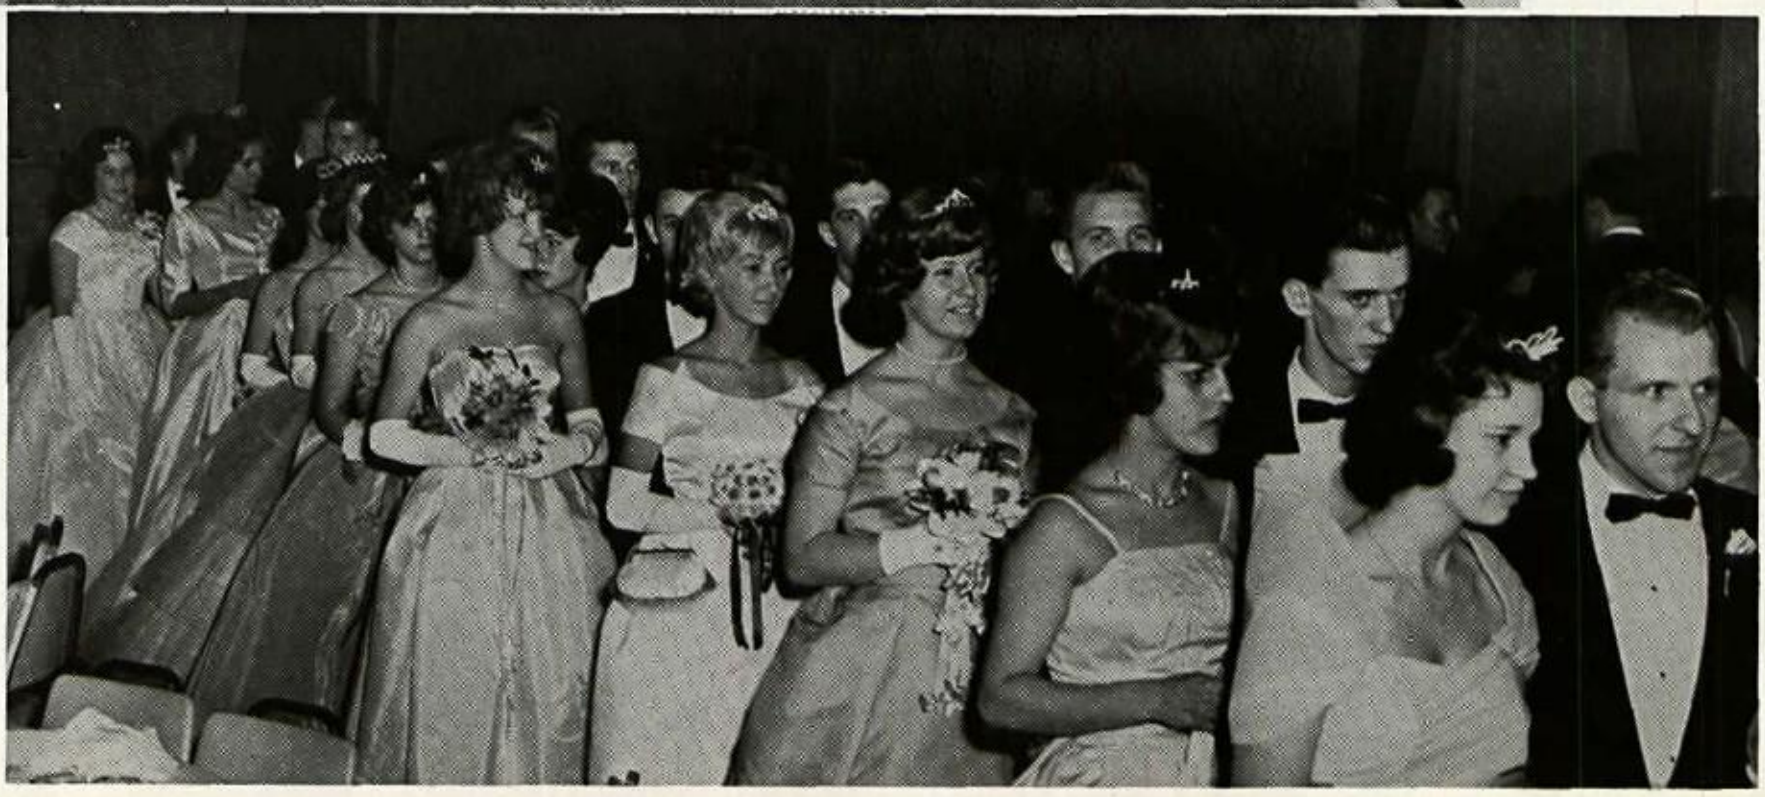
School work was forgotten as all enjoyed the happy occasion.

Seniors Dine and Dance

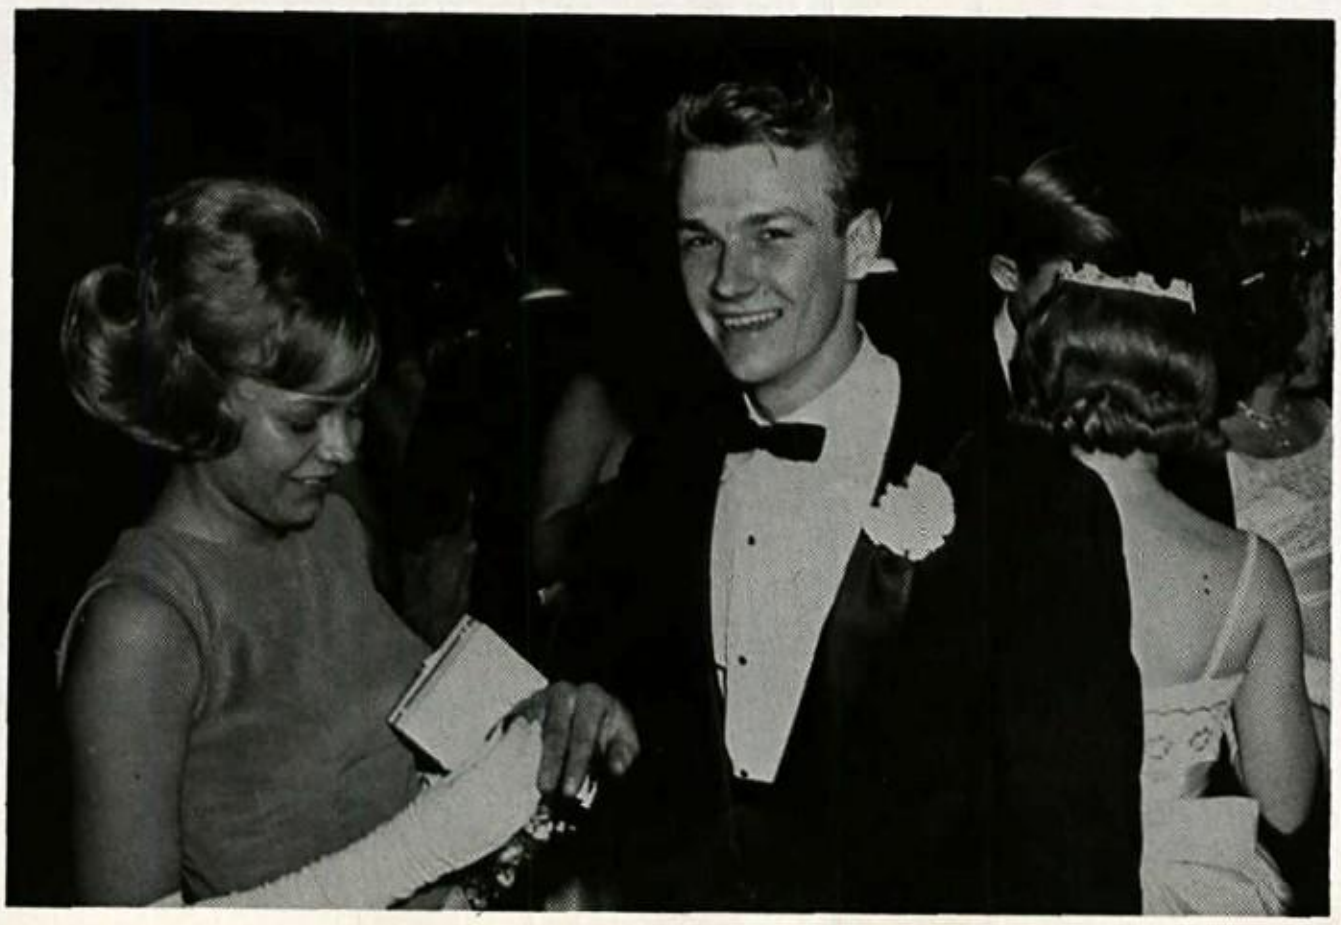
The Class of February 1963 spent unforgettable moments at the Senior Banquet and Prom held at the Sheraton Belevdere Hotel.

Principal Woelper commended the Seniors and offered his best wishes.





At the Senior Prom



Marie Krall served as toast mistress at the banquet and introduced the performers.

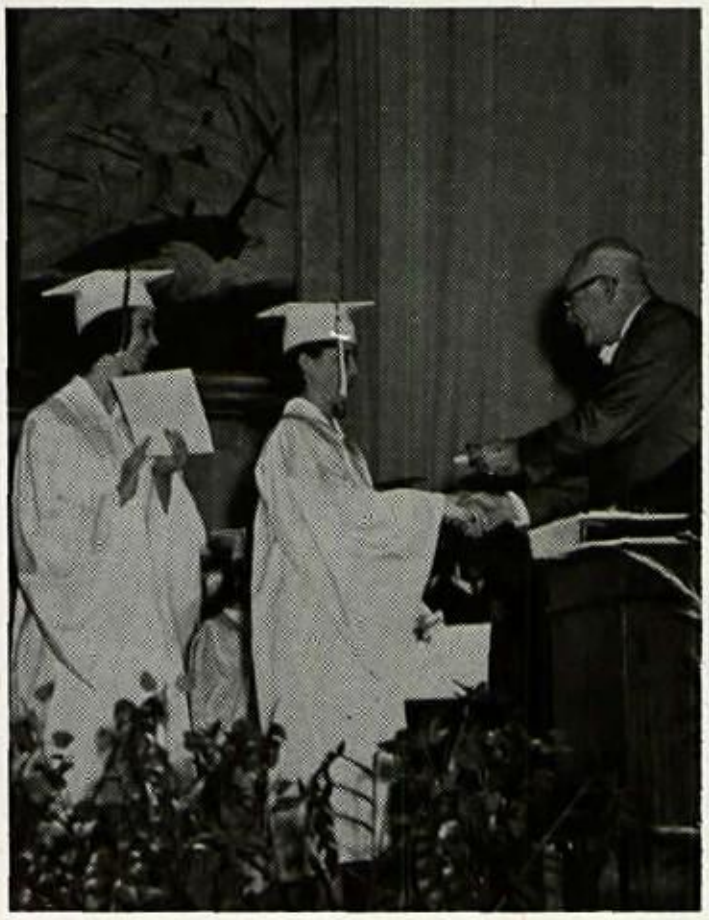
Seniors joined the promenade and received their prom favors. Rings were turned and the clipper ship faced out to sea.

Graduation . . .

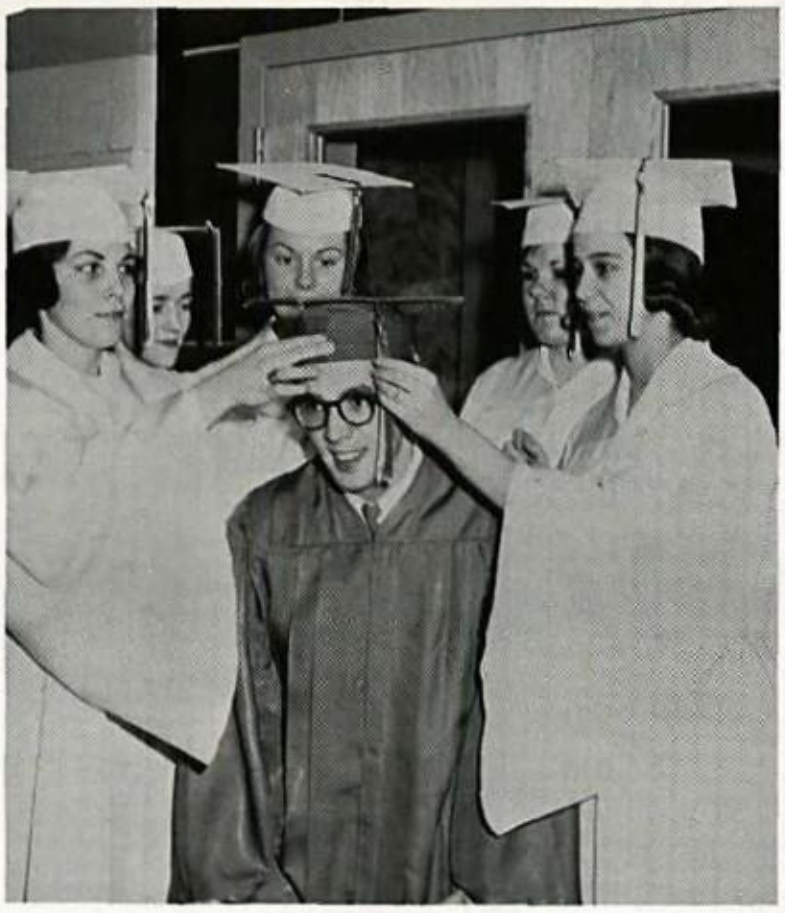
One of the many happy graduates chats with Mayor Goodman and Mr. Woelper before Commencement.

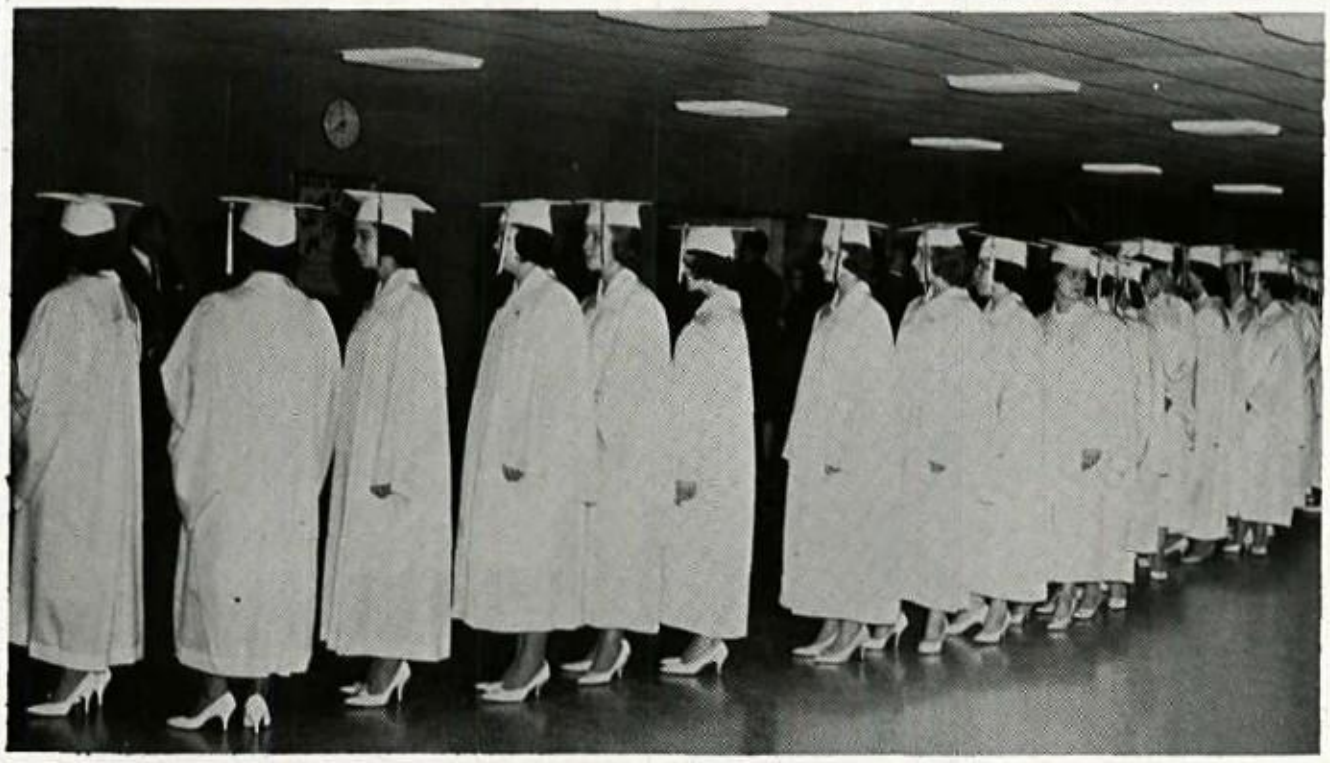
The Mayor presents Carol Holzman with her diploma.

The graduating class entertained their parents and friends with several vocal selections.



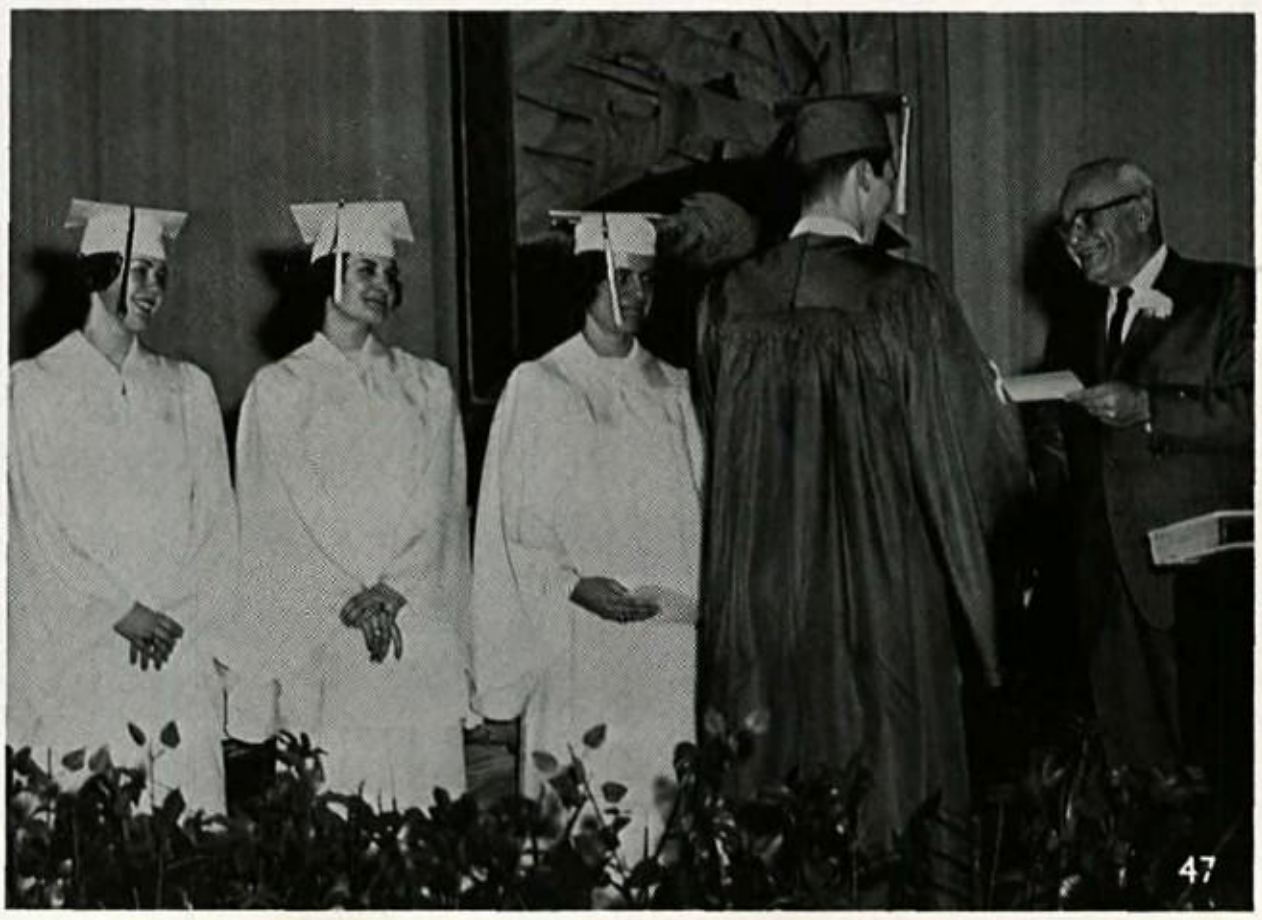
Mr. Woelper presents Judy Jones and Joanne Bauernfeind with one of their many awards.

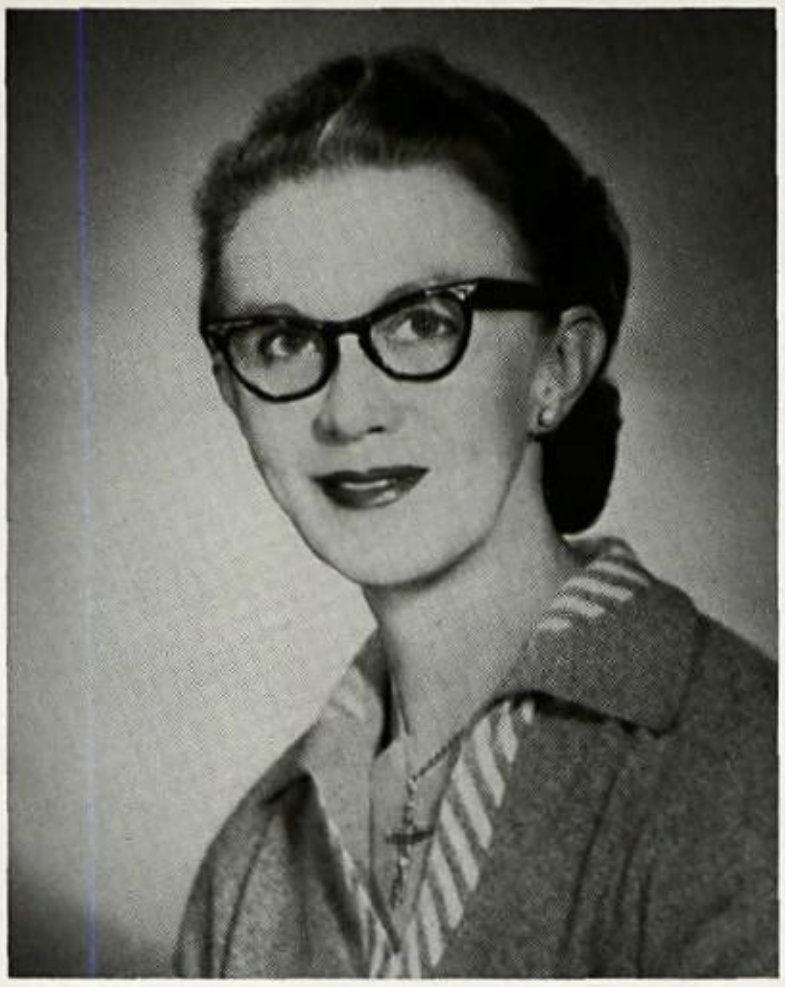




A Night to Remember

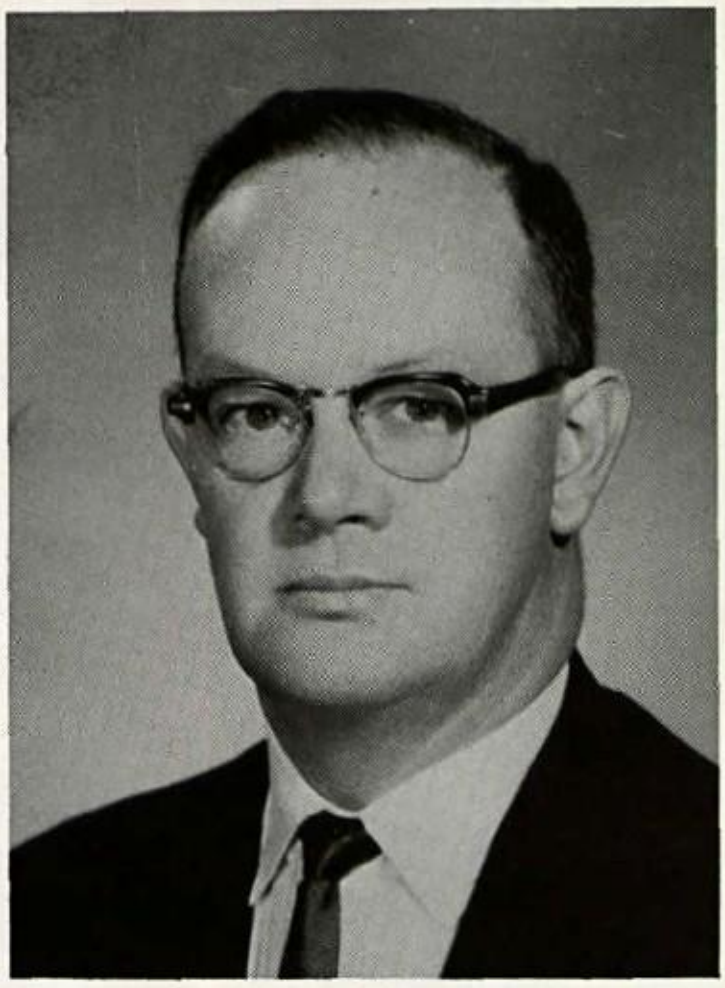
Mayor Goodman presented the graduates with their diplomas at the Commencement exercises. Mr. Woelper presented awards to those deserving.





MRS. MAURYA TILLERY

Better known to the class of '63 as "Mom T," greatly loved and admired by each of us. We are thankful to you for your guidance, interest, and understanding that you have shown us throughout our years at Patterson. No words can really express our appreciation to you.



MR. WILLIAM MICHEL

To you we give our thanks for the many hours spent behind the scenes of class activities. We have learned to appreciate your fine qualities and are grateful to you. Many do not realize the work and effort you have put forth to make the class of '63 the best. Surely none of us will ever forget you.

Rain, rain go away. Come again another day. School days are filled with wet weather and dry but regardless of precipitation or sunny skies Patterson is the same . . .

October was filled with one wet Thursday after another. The photographer has captured the gloom of the day. Will we remember straight hair, wet feet, and damp clothes???

Once inside the beautiful building all sadness is forgotten. Cheerie colors, friendly faces, and pleasant memories will help us forget unpleasant experiences.

Participating in after school activities, a year quickly passed by. These students are pictured removing books and needed equipment from their lockers.

The Class of 1965, tenth graders today, will be the leaders of Patterson tomorrow.

Activities

Assemblies, plays, dances—all of which are part of high school life. Patterson is proud of the extra activities added to lend spice to school days.

Thomas Miller, newly elected president of the Student Council, proudly gives his acceptance speech after taking the oath of office.

The student body elected Tom in June and his term of office runs from Sept. '62 to June, 1963.

Cabinet members take an oath to help better the government of Patterson.

Elaine Gryken, newly elected vice-president of the Student Council, speaks to the entire student body. Both the president and vice-president thanked the students that made their election possible.

Miss Eleanor Echo, representative of the Simplicity Pattern Company, shows the girls how this suit can be changed by adding a different jacket or scarf.

Receiving the finishing touch, female participants line-up before the show.

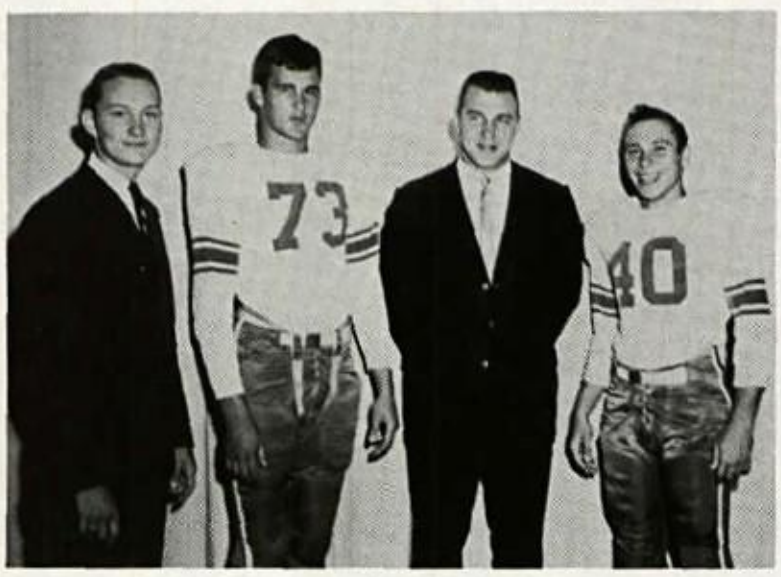
All of the lovely fashions were supplied by the Simplicity Pattern Company. The models were chosen from the Home Economics classes at Patterson. The assembly which was presented to the female student body at Patterson seemed to be a success. Many more girls have been sewing and making their own outfits.

"Now remember, girls," seems to be Miss Echo's expression as she makes last minute adjustments.

Dick Bielski, Colt Football Player, was the guest at the annual football assembly. Dick, an alumnus of Patterson, spoke to the student body.

Seated on stage the varsity football players made their first public appearance to the student body.

Each player was introduced. Plays were described and formations were shown at the annual assembly.



Patterson cheerleaders led the audience in ever familiar cheers. The co-captains chatted with Mr. Bielski and received tips from the pro.

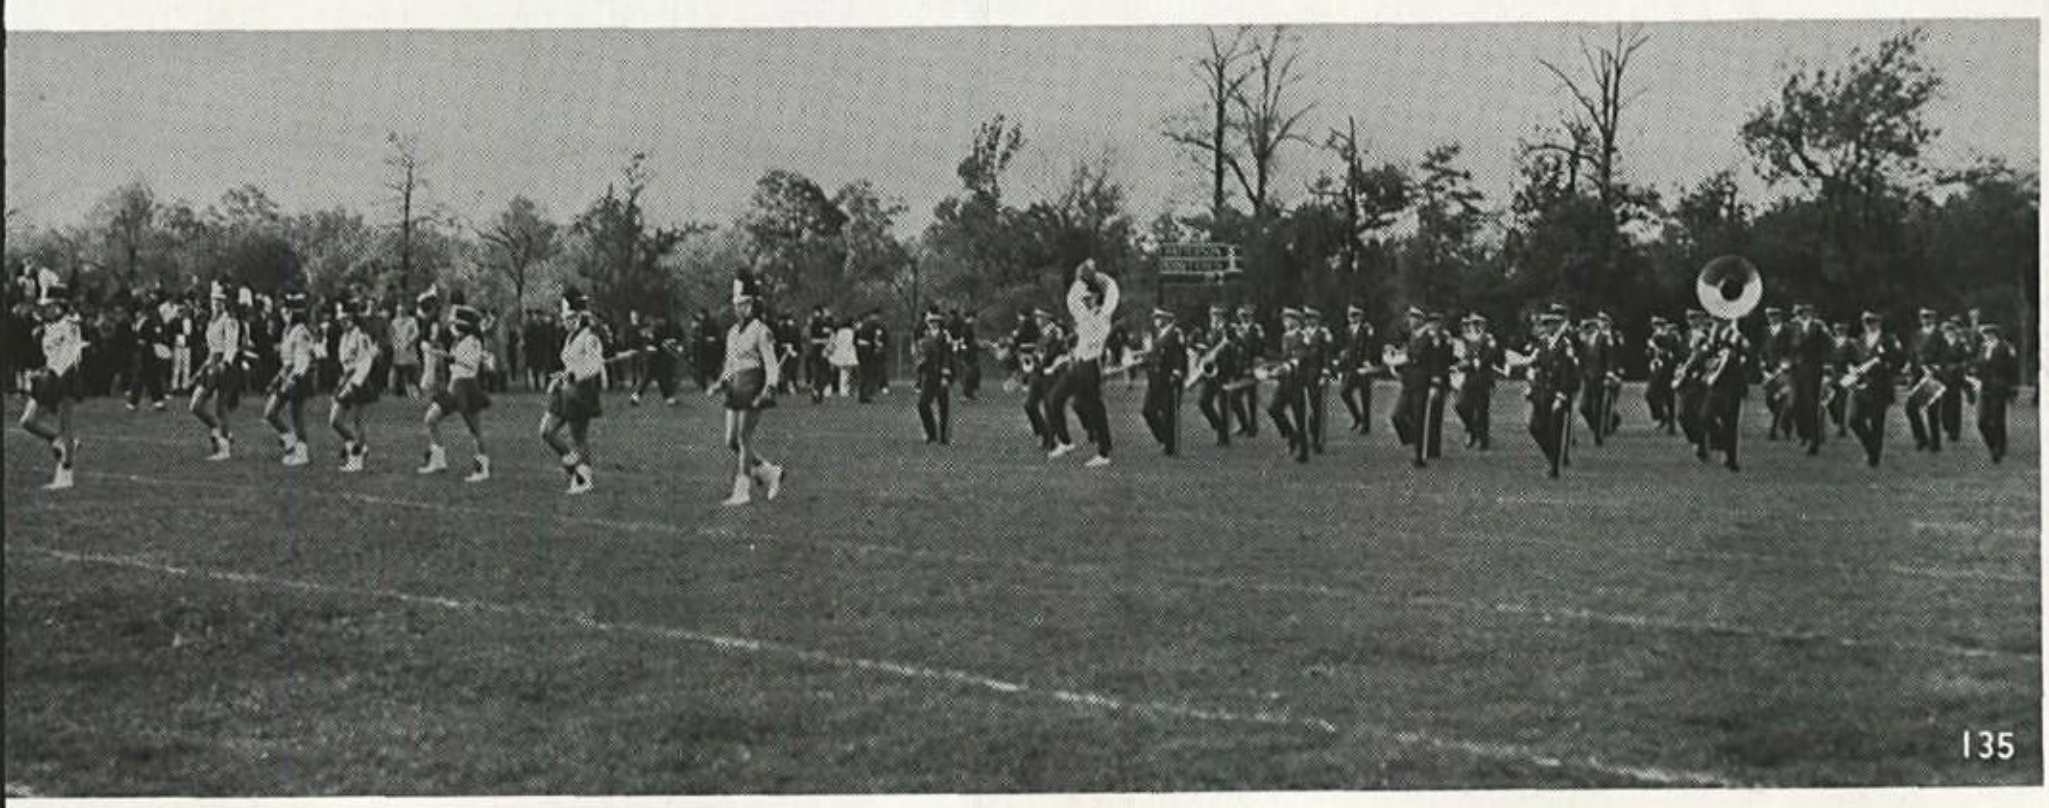
Mr. Rankin explained how many yards would be lost if certain penalties took place.

Fall and Football

Fall, with brisk days, brought football to Patterson. The Clippers were cheered whole-heartedly by Pattersonites at each of the football games.

Our school band entertained at half-time, while the cheerleaders led the students in cheers throughout the game.

Although our season was hampered by our loss, we finished with a 6-1 record.



Patterson's first special assembly of the year was held on October 1. The assembly which was in conjunction with the music departments' program featured the music of the Baltimore Symphony Orchestra.

The Orchestra which was led by the associate conductor, Elyakum Shapira, presented two concerts at the school. The music presented not only entertained the Pattersonites but also enlightened their musical background.

Mr. Woelper and our guest, Elyakum Shapira, pose with students who participated in the assembly. Each selection played by the orchestra was represented by a costume of that country.

Mr. Shapira hard at work directing the Baltimore Symphony Orchestra. The music contained a variety of pieces, many of which were representatives of foreign countries.

This assembly was enjoyed by invited classes only. Music majors, interested students, and selected classes were invited to this special assembly.

Once Again
Student Day

Tom Miller, President of the Student Council, took over the position of Student Principal on Patterson's traditional Student Day. Students were chosen in each class, including homeroom, to carry out the same procedures of previous years.

Students from various schools, along with Pattersonites, entertained at the Student Day Assembly.

Teachers Are Replaced

At the close of the day Patterson students enjoyed the music of the Rythmaires.

As the day came to an end Patterson had another successful Student Day to remember.

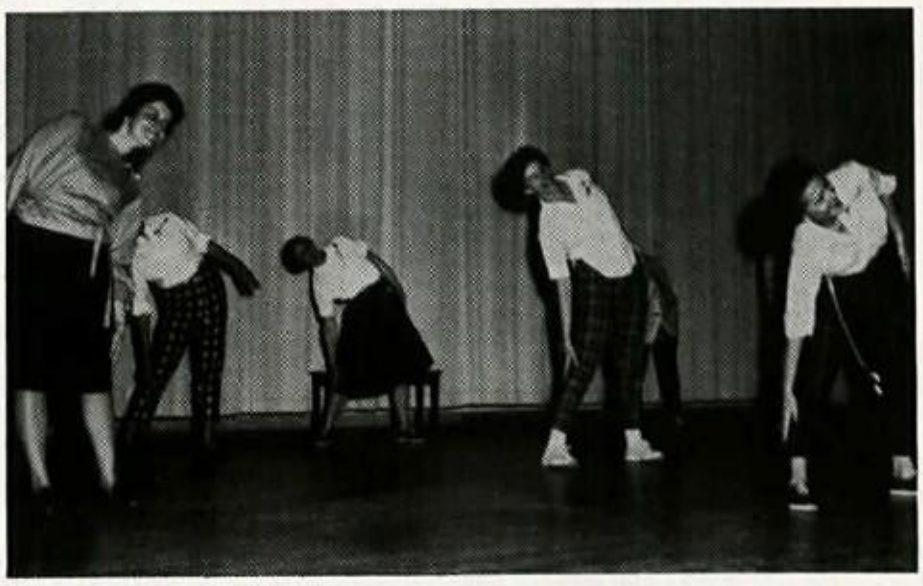
After school United Nations Day was celebrated with a dance sponsored by the club. Pictured are students purchasing refreshments, participants in the limbo contest, and girls doing another of the popular novelty dances of the season.

Faculty Entertains

E—VAL—U—A—SHUN . . . faculty members blend voices to entertain the student body. The assembly which was a howling success was presented to Group I students.

Faculty members from all departments helped to make the Patterson Day Assembly a success.
Mrs. Betty Lou Moore showed the audience how she learned to drive.
The music department and our talented science teacher provided beautiful piano selections.



Female faculty members entertained the assembly with an exercise routine, followed by two "show stealing" dances.
Long hours of hard work and practice made this assembly a success.

Color Day

Presented by

The students thoroughly enjoyed the vocal selections sung at the 11B Color Day Assembly.

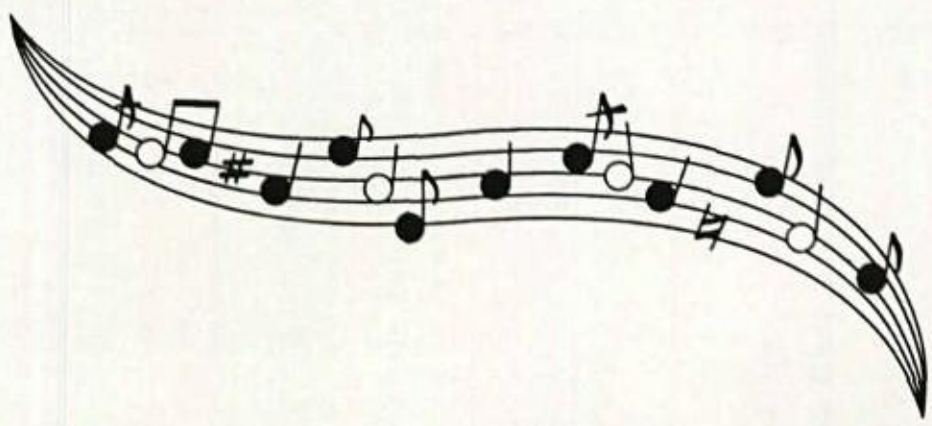
Jack Krause, president of the '64 graduating class, is shown as he speaks to the students at the assembly.

Mr. Savarese and Mrs. Schruefer look on as the assembly is in progress.

Mrs. Nichols and Mr. Kuhl the 11B counselors enjoyed the entertainment at the assembly.

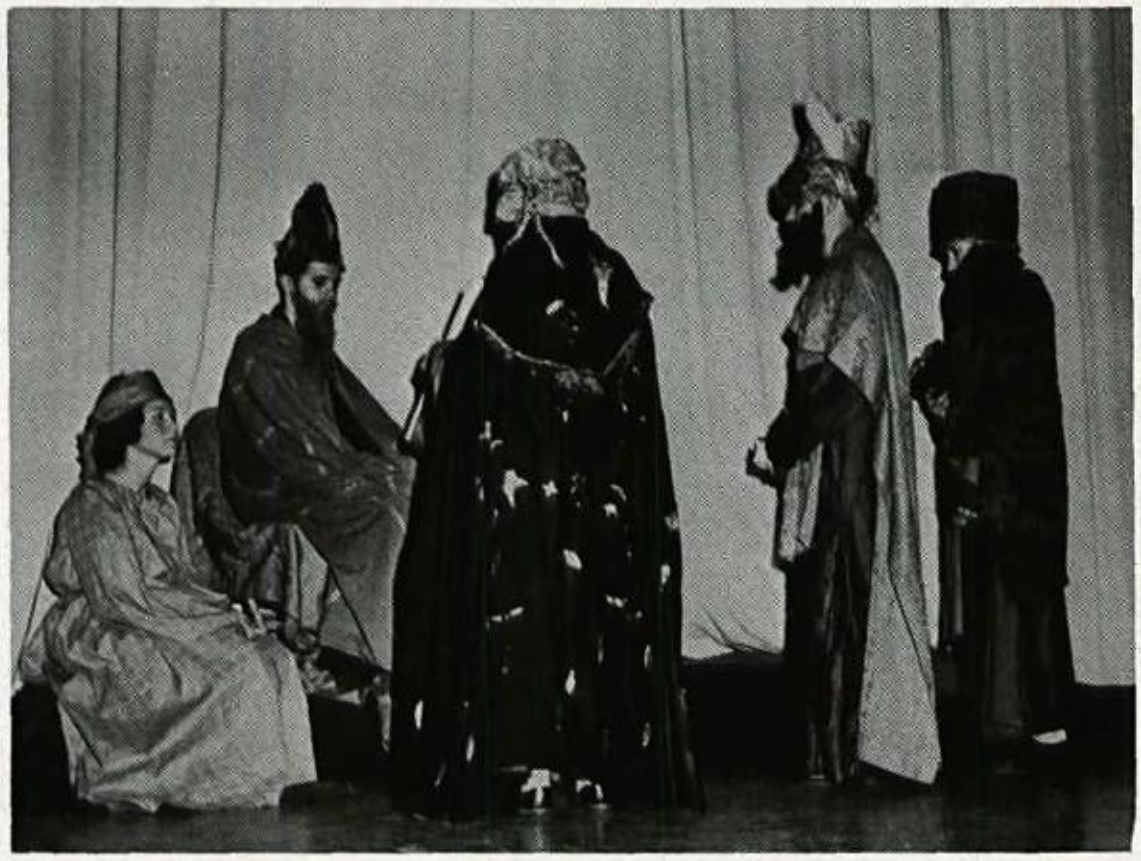
The Class of '64

Entertainment by various groups of Junior students played a big part in the 1964 Color Day. Everyone enjoyed the variety of entertainment presented.

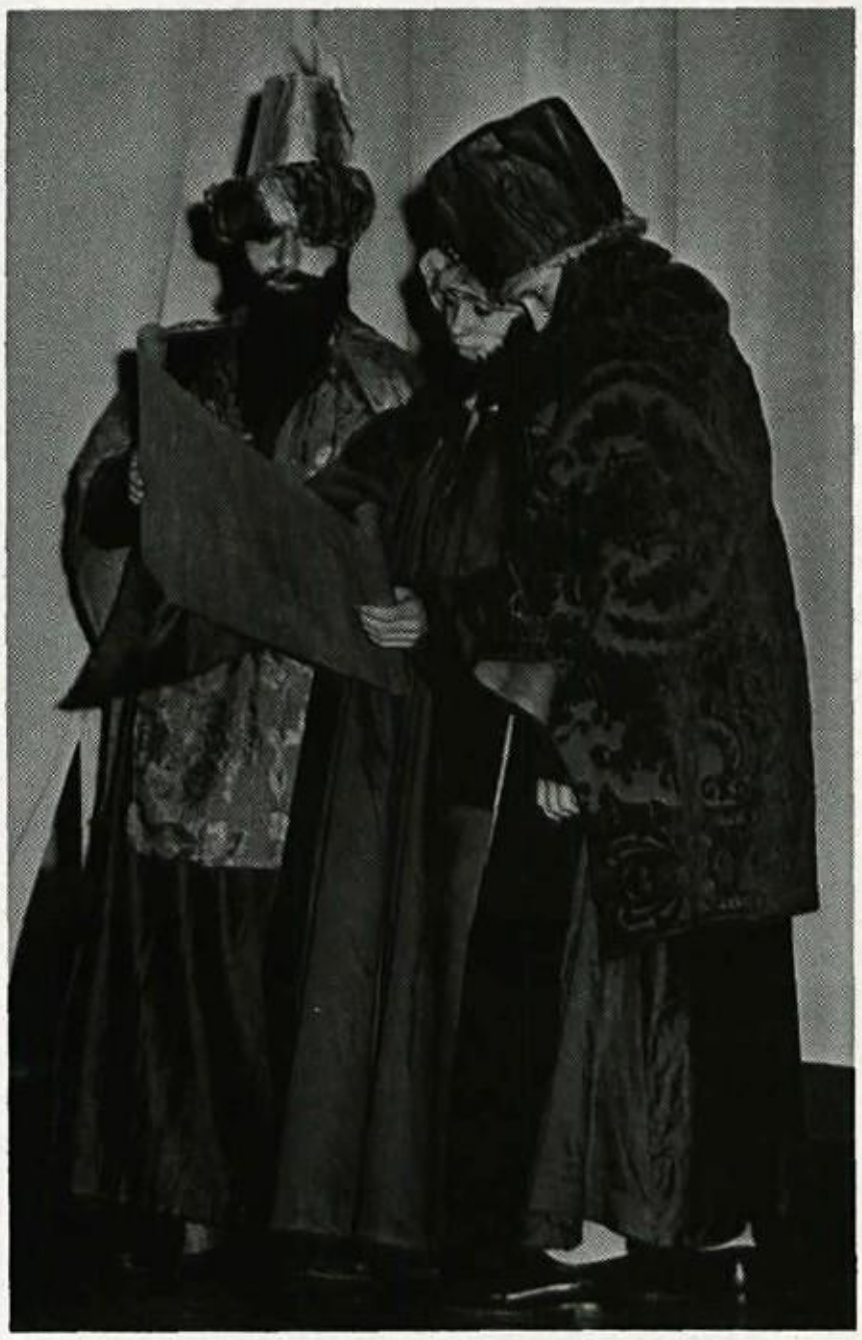


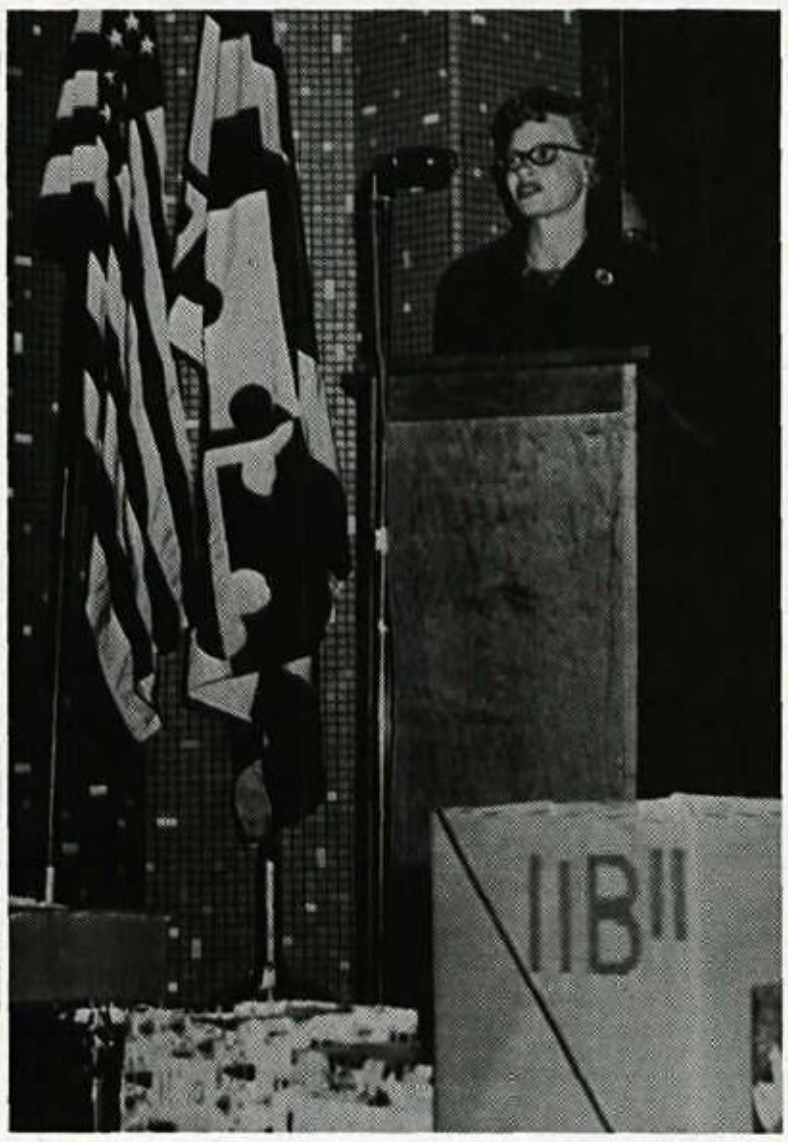
Christmas at Patterson

Our annual Christmas assembly was enjoyed by all again this year. Backed by the Clipper Choir, Patterson's art majors presented a tableaux for both assemblies.



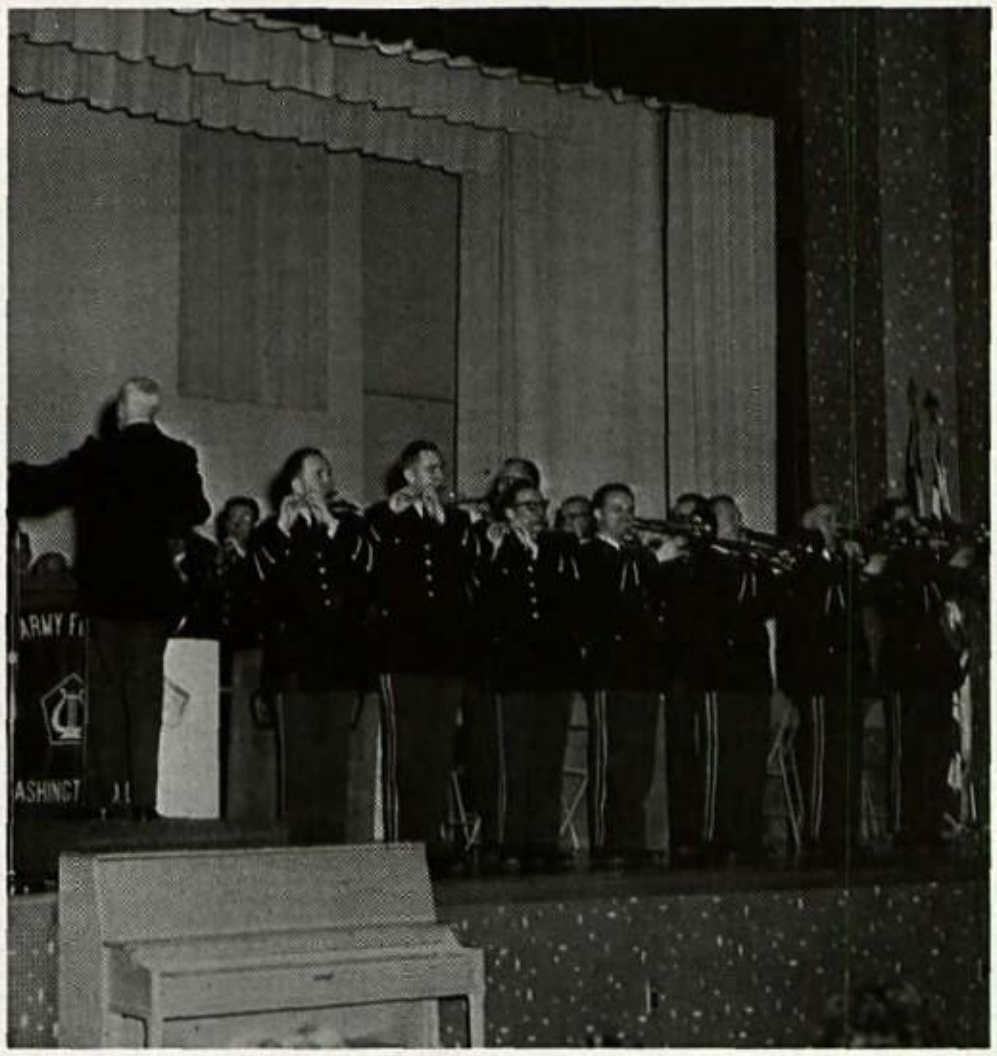
Costumes worn by those who participated in the assembly influenced the spirit of the holiday. Christmas, as told in the Bible, was presented at the annual assembly.





Gifts for mental health patients were collected by each homeroom class. Showing the spirit of Christmas.

Selected classes were invited to view the United States Army Field Band under the direction of Major Robert S. Bierly.



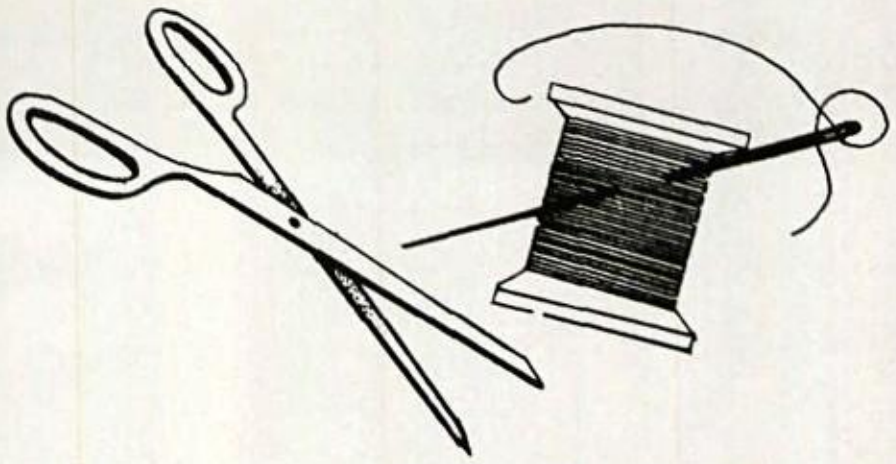
The Chorus and the band entertained all present with their various selections.

American Red Cross Campaign a Success

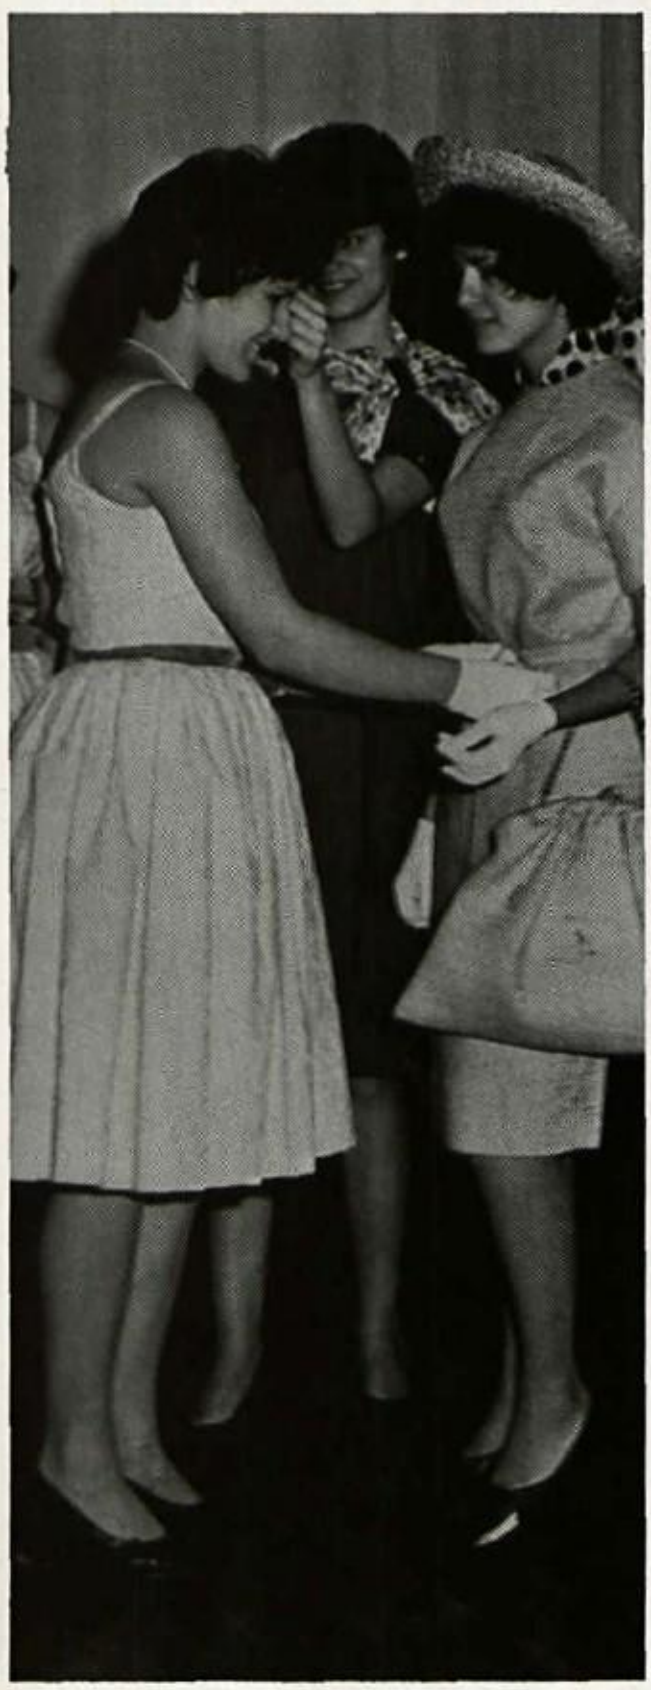
Miss Katherine Bowersox, sponsor of Patterson's chapter of the American Red Cross Club, announced that the annual campaign had been successful.

Each homeroom class was asked to contribute useful articles to be sent to students in need.

Joan Kratochvil, Mary Bain, Melvin George, Roberta Makowski are shown packing a school chest to be sent to a school in a disaster area. This picture, compliments of The American National Red Cross, is to be used on the 1963-64 calendar.



Spring Comes to Patterson



Backstage the models prepare for the annual fashion show given by the Home Economics Department.

Easy to sew dresses and skirts were shown at the Spring Fashion Show.

What to wear, from casual to formal was modeled by home economic students.

Twice a year Patterson's girls must thank the Simplicity Pattern Company for showing the "do's and don'ts" of fashion.

Patterson's models make sure every thing looks perfect before the show.

Complete outfits, including hats that matched and handbags that complimented, were shown.

Hoping that the fashion show will help encourage more girls to sew, it was sponsored by Simplicity.

If Only in Fashion

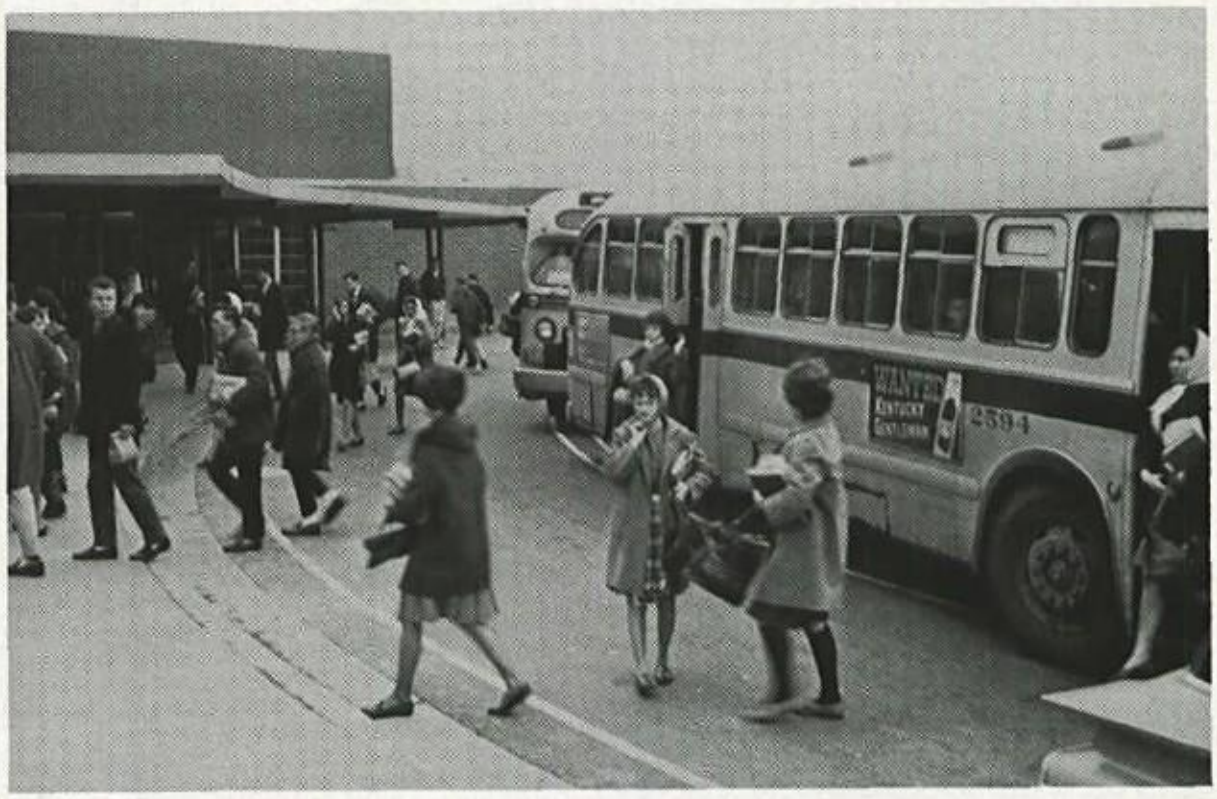
PTA meetings, a book cover purchased at the school store, or hard work in class is part of the activity of school.

Patterson provides the best. Especially equipped rooms entitle the students to an education, preparing them for the future.

After three years at Patterson the girls and boys emerge as young ladies and gentlemen.

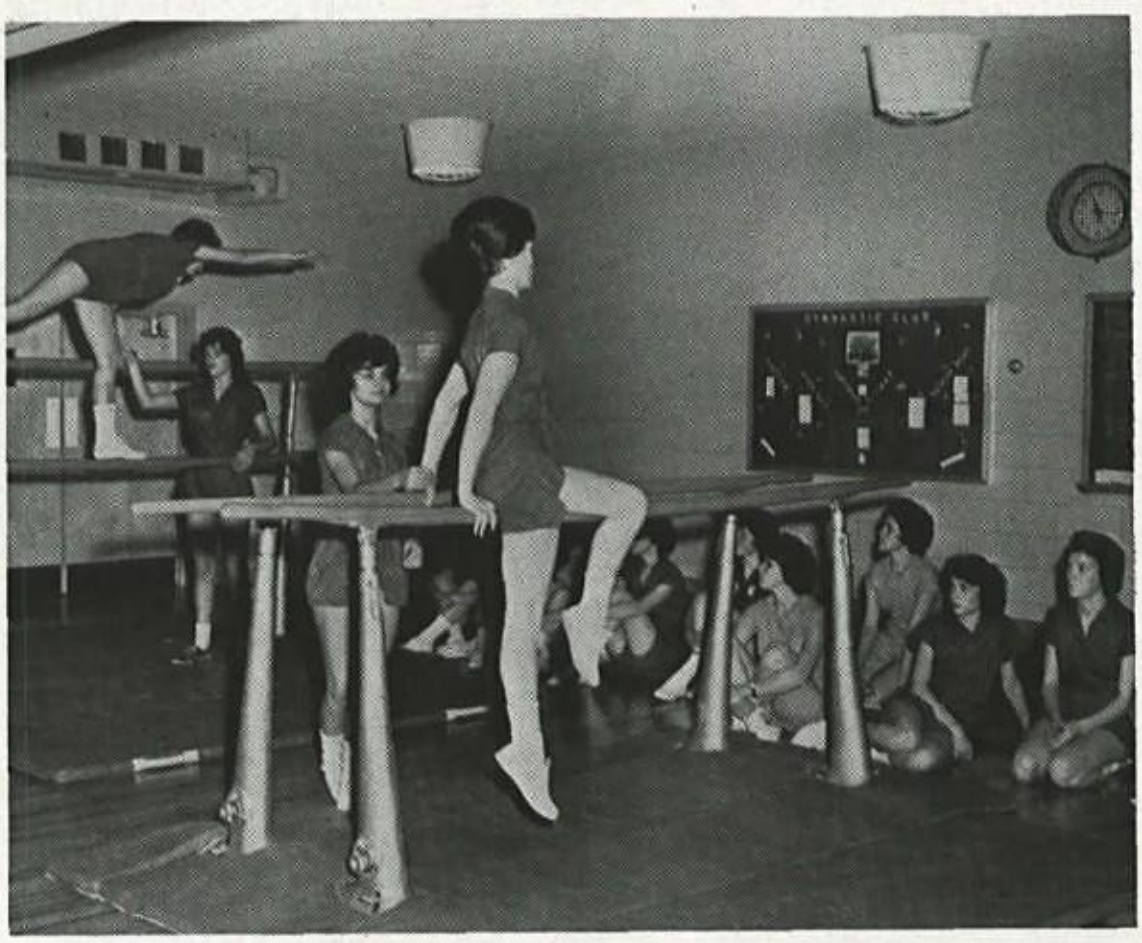
Thanks to the cooperation of administration, faculty, and student body, the years of growing-up are made easy.

Varied Subjects Make School Interesting

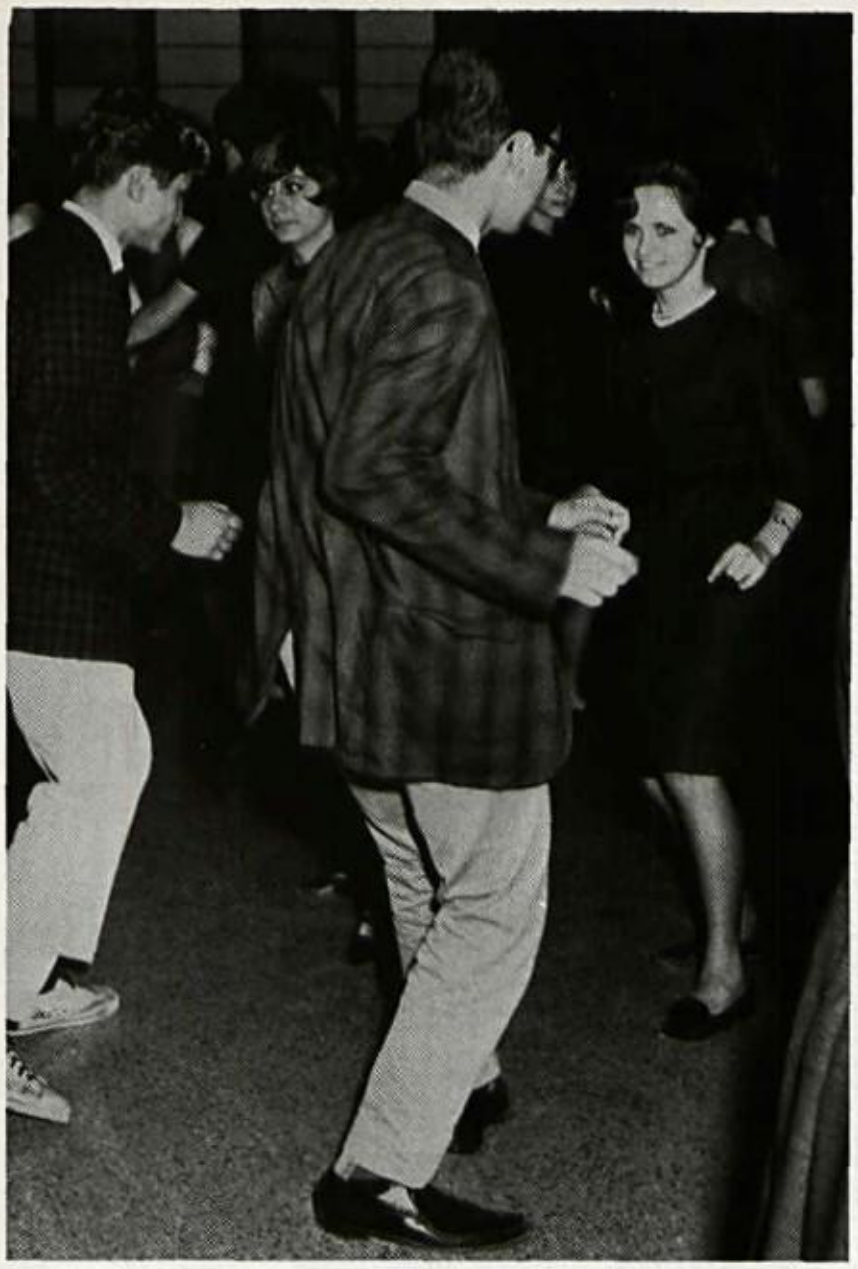


Each day hundreds of Patterson students leave home to take the special BTC buses direct to the school door.

No matter how the students get to school, walk, take the bus, or drive, they are entering to learn. Many different subjects keep the days from becoming a bore.



The girls try to do their best on the apparatus during gym. Here the girls attempt exercises on the parallel bars.



And Then, There Is Fun

Helping to add variety to school life, dances are held after school in the cafeteria. The Student Council sponsored a Student Day Dance and each class holds a Color Day Dance after school.

Finding time to relax and just enjoy yourself isn't hard for Pattersonites. Many of the students are seen doing the "twist."

Organized to encourage character, cooperation, and sportsmanship Patterson's athletic teams participate in the Maryland Scholastic Association.

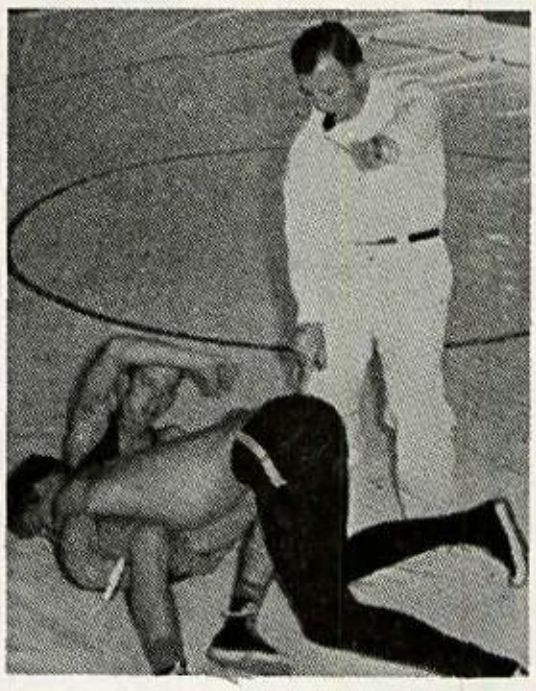
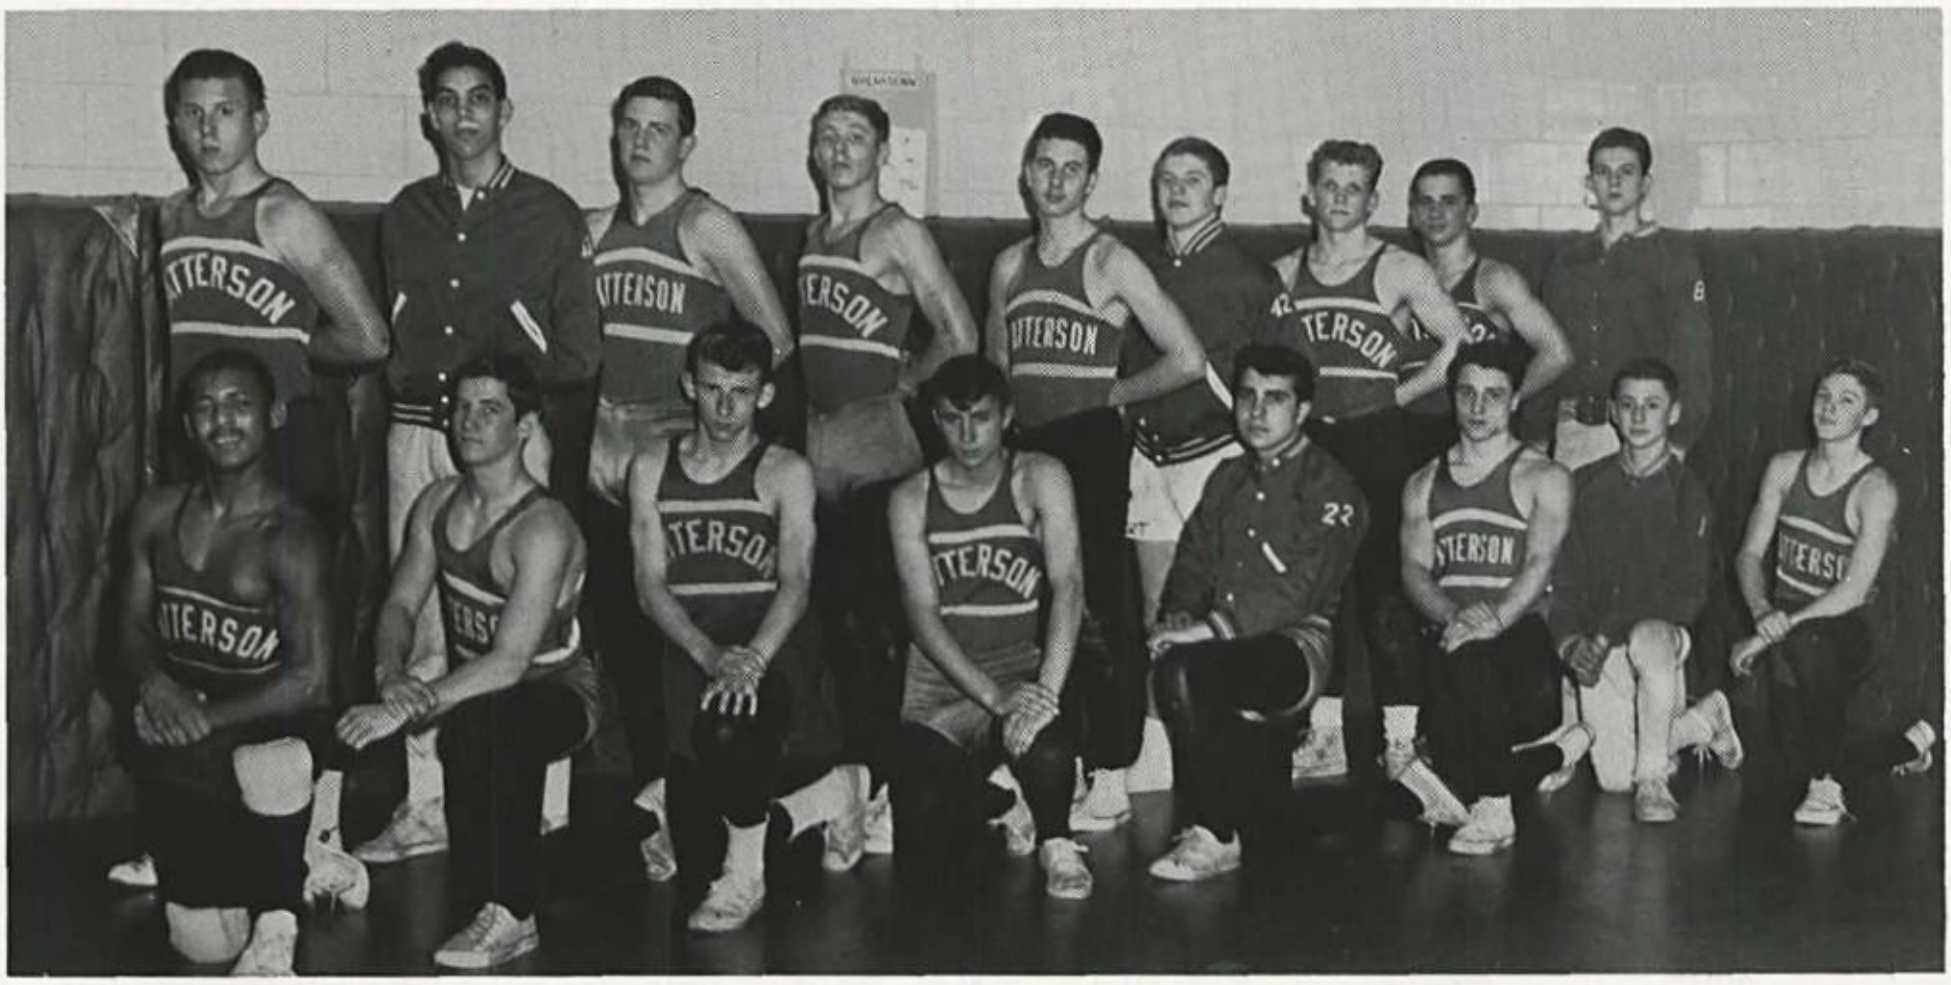
INDICATING RETENTION OF ADVANTAGE. Whenever there is any doubt as to the contestant in the advantage position the Referee should indicate the contestant in the advantage position by pointing to him with the index finger of one hand. The Referee will keep his other hand down and along his leg so that there will be no confusion as to whether any points are awarded.



AWARDING POINTS. One arm and index finger are pointed at the wrestler receiving the points. At the same time the Referee verbally announces the award and the name of the team receiving it as he raises his opposite arm to a near vertical position indicating with extended fingers the number of points awarded.

Wrestling

Members of the wrestling team practice complicated holds. They know that keeping in shape is important.



JUNIOR VARSITY WRESTLING TEAM

BACK ROW: J. Sempeck, E. Lynch, A. Bates, R. Fauble, R. Schweiger, H. Iswert, H. Davenport, R. Harrison, A. Rogers. FRONT ROW: C. Carter, E. Arnold, J. Callender, P. Kotzias, H. Piccinini, J. Thater, C. Eberling, R. Schech.

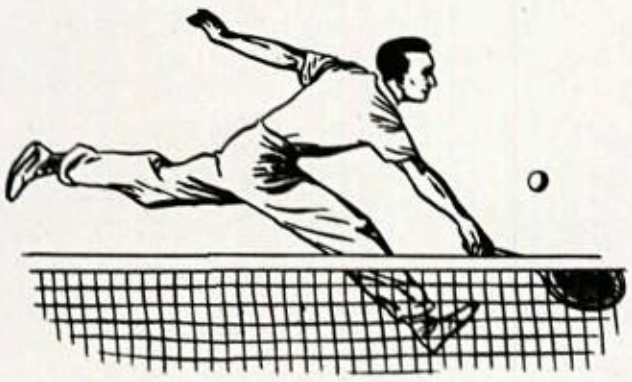
Rifle Team

Patterson's rifle team sponsored by Mr. Seward is composed of the best marksmen in the rifle club.

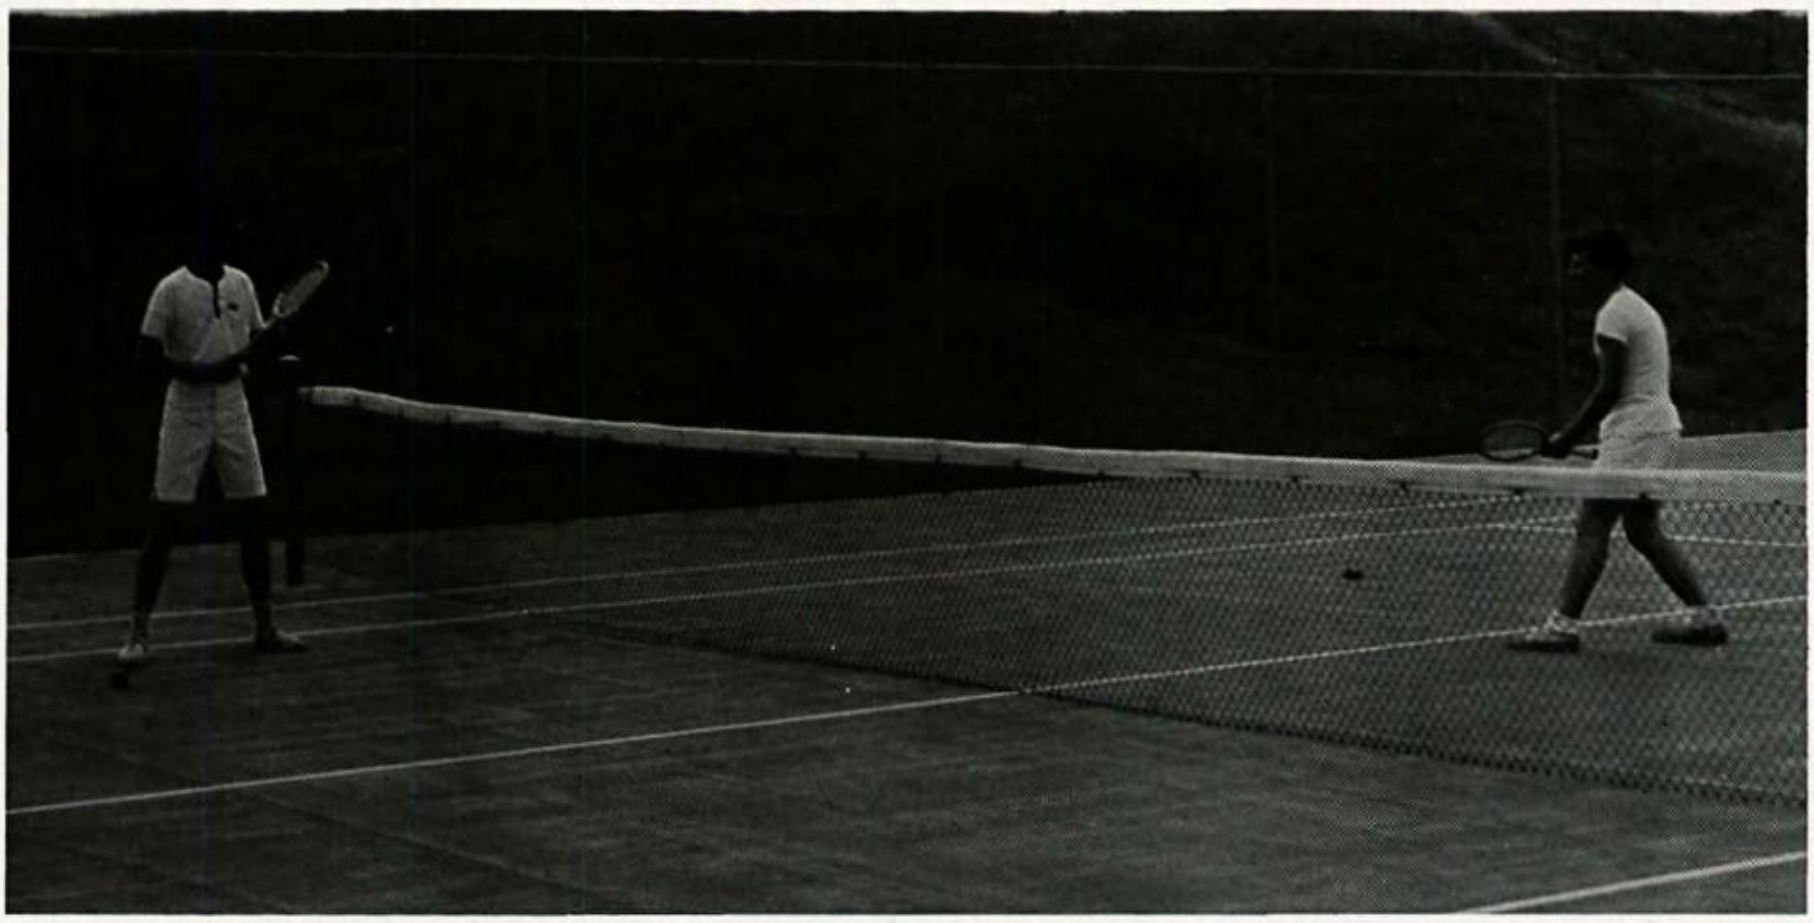
The members of the team are selected according to ability. The top ten qualifying are varsity, the next ten are junior varsity members.

Tennis Team

Patterson's tennis team competes against other members of the M.S.A. There are both singles and doubles matches for the team to earn points.

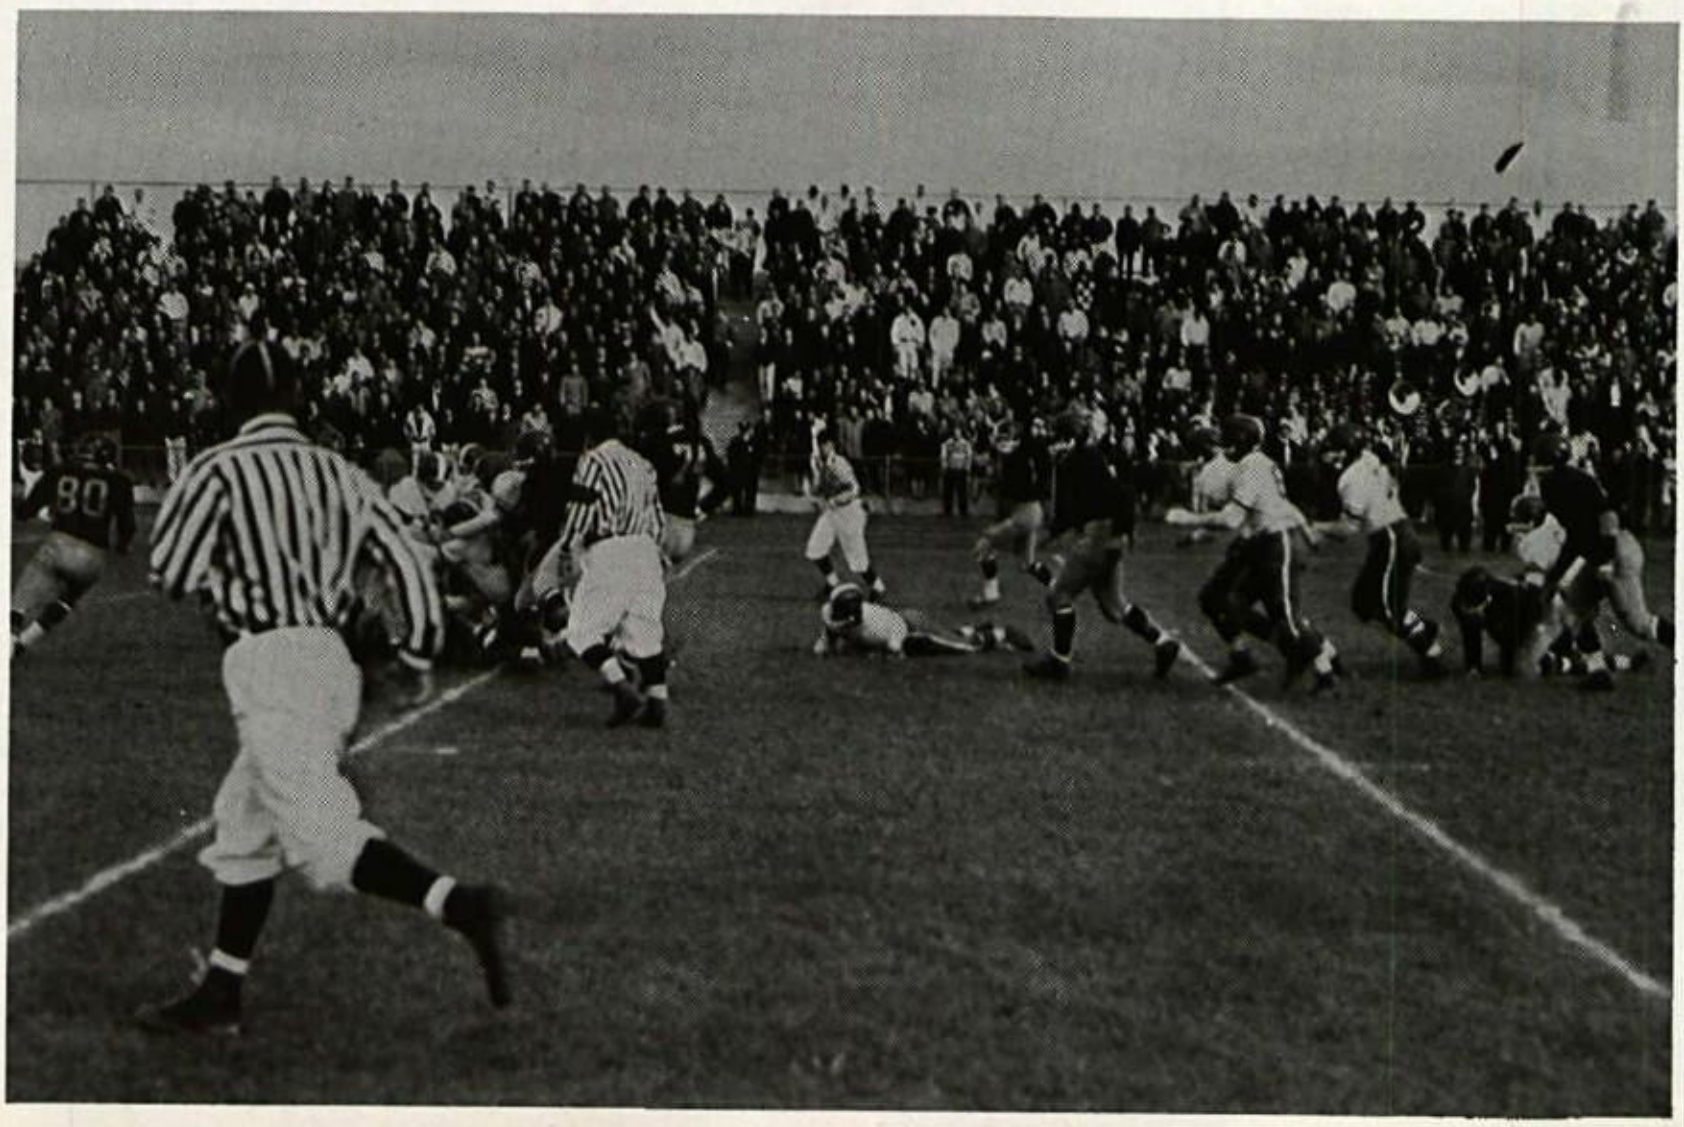


Action in Sports



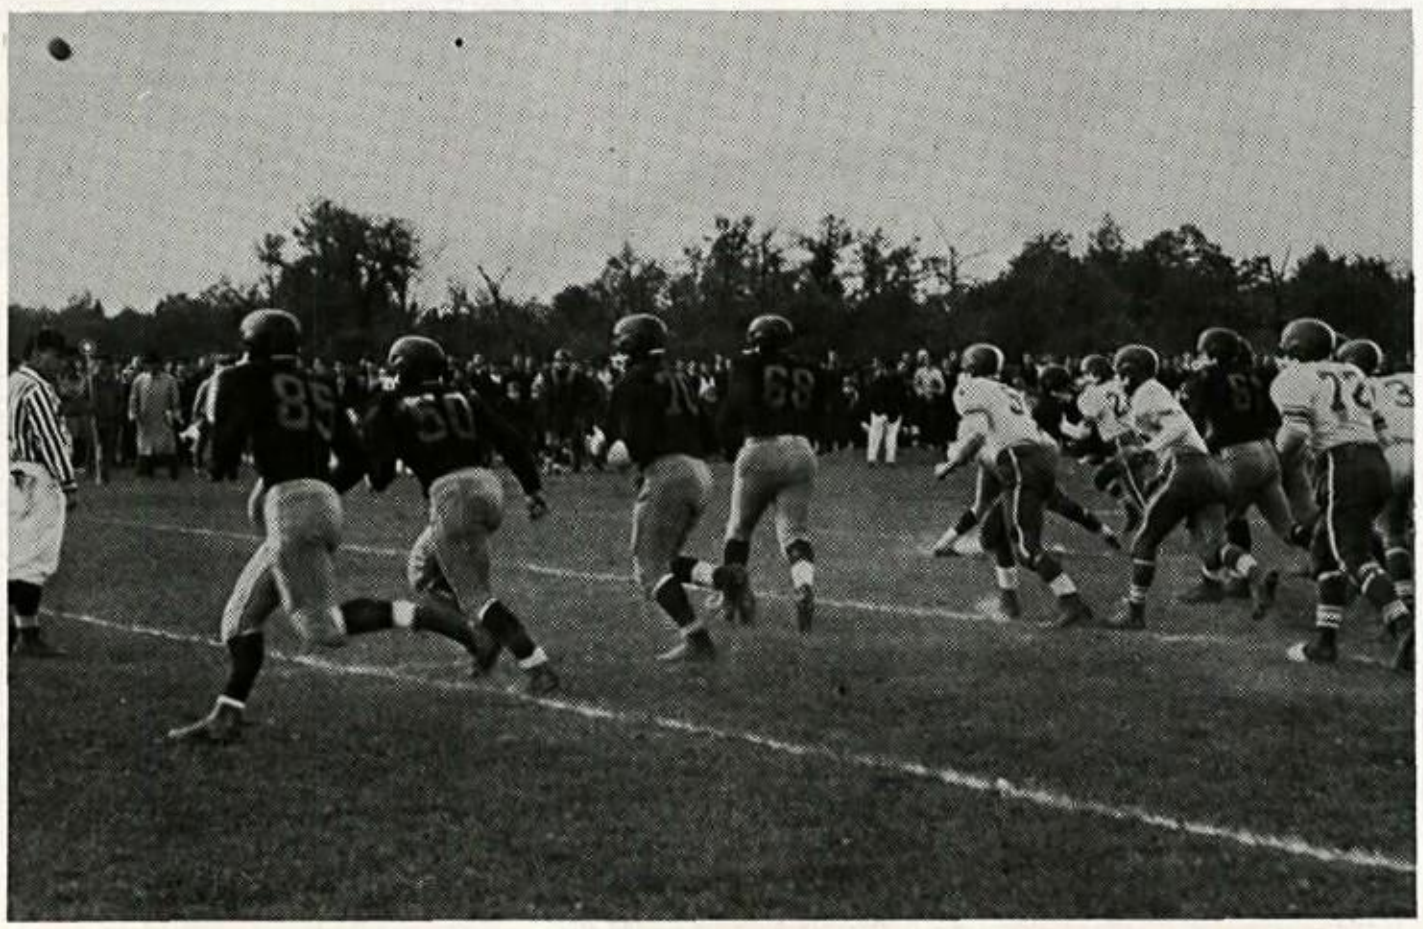
Two members of the tennis team practice on Patterson's courts.

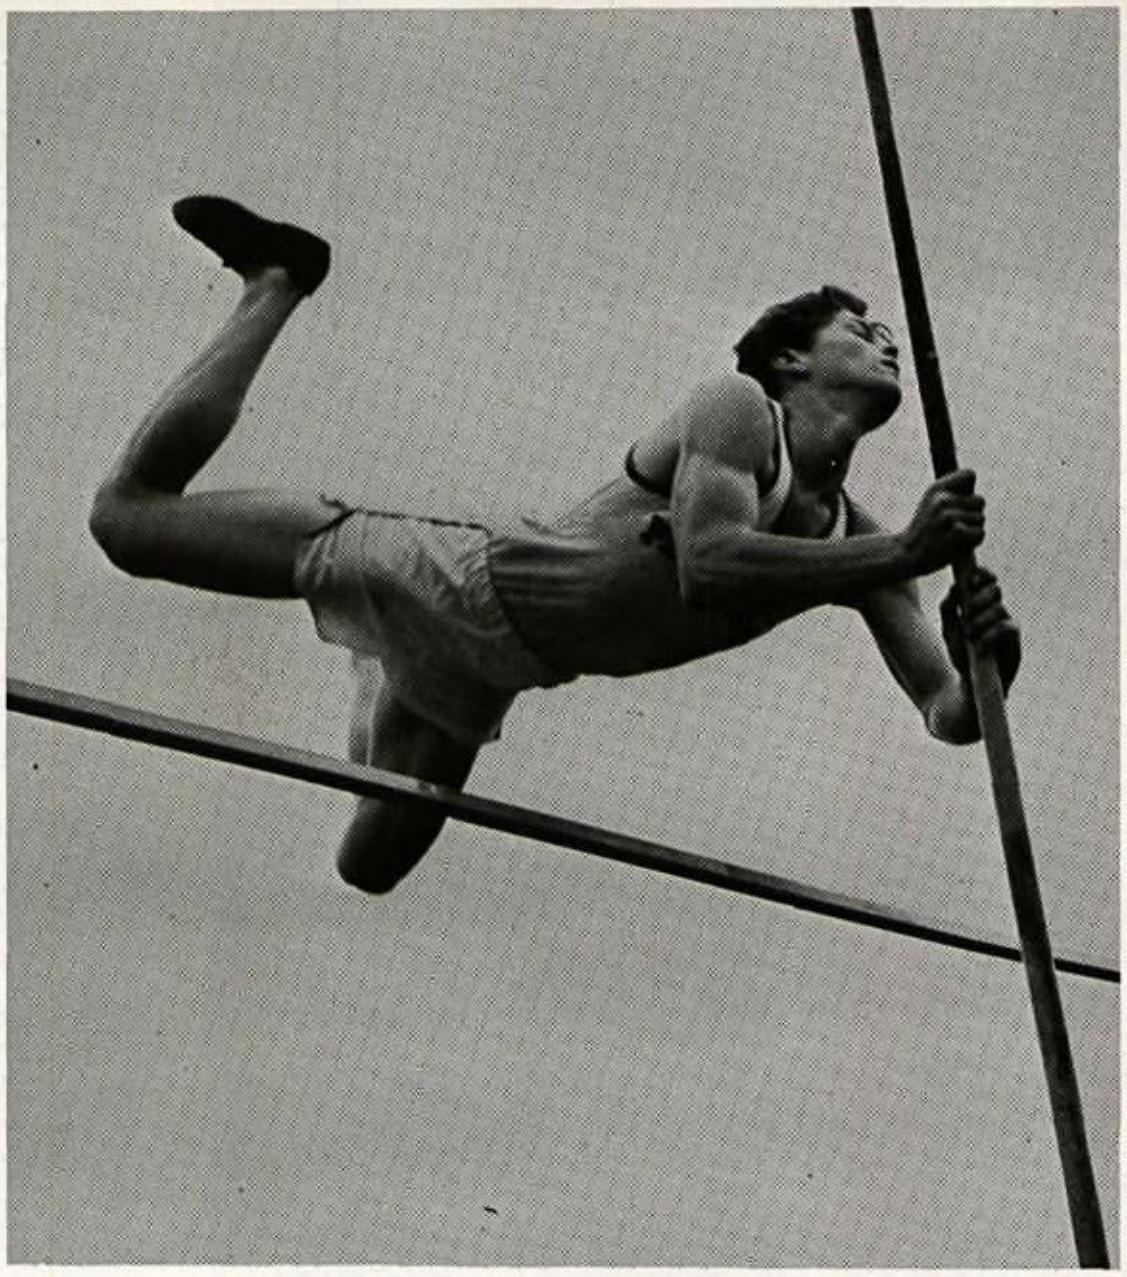
Football, one of the favorite sports at Patterson, offers the viewer an action packed game.



Patterson's representatives on the 1962 All Maryland Football Team.

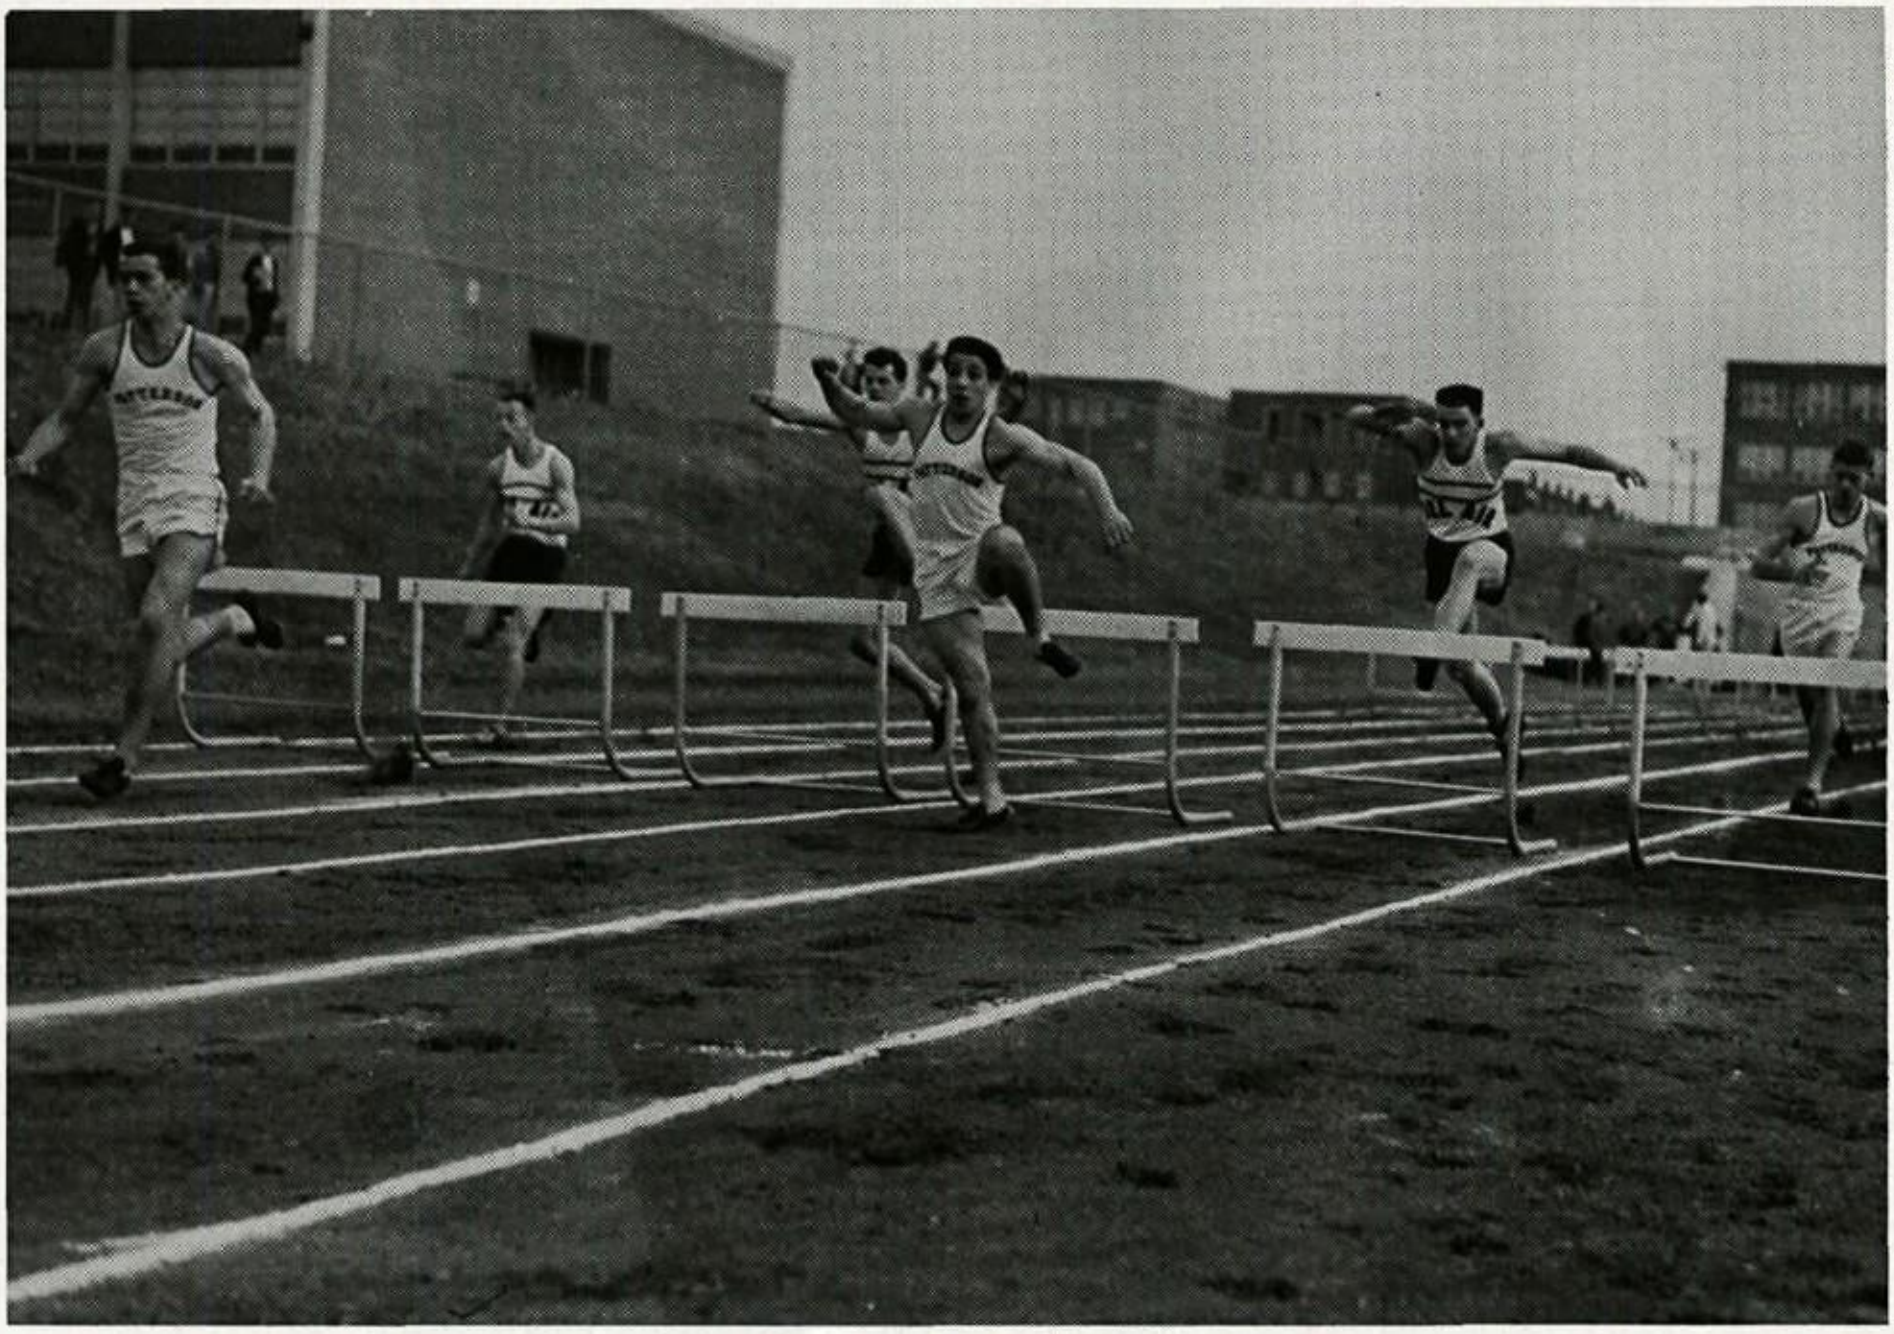
Action-filled games were viewed by loyal Pat rooters.





Patterson's track team participated in the M.S.A. Team members competed in the mile, low hurdles, high hurdles and many jumping events.

The co-captains gather before a meet to give encouragement to each other. Patterson's 1962 team is seen competing against Bel Air.



Representing Patterson at the annual Unsung Hero's Banquet are three varsity football players, Gavenas, Kosmos, and Gephardt. Also with the boys were Mr. Biasi, Mr. Nardone, and Mr. Granek.

Patterson's fine sportsmanship entitled the student body to the beautiful trophies and loving cups. Championship teams brought the awards to the school.

Girls' Sports
